

**CITY OF BELL
CONTRACT SERVICES AGREEMENT FOR
GRAFFITI REMOVAL SERVICES**

THIS CONTRACT SERVICES AGREEMENT (herein "Agreement") is made and entered into this 1st day of July, 2013, by and between the CITY OF BELL, a California municipal corporation herein ("City") and Graffiti Protective Coatings, Inc. (herein "Contractor").

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES OF CONTRACTOR

1.1 Scope of Services. In compliance with all of the terms and conditions of this Agreement, the Contractor shall perform the work or services set forth in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by reference. Contractor warrants that it has the experience and ability to perform all work and services required hereunder and that it shall diligently perform such work and services in a professional and satisfactory manner.

1.2 Compliance With Law. All work and services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental agency of competent jurisdiction.

1.3 Licenses, Permits, Fees and Assessments. Contractor shall obtain at its sole cost and expense such licenses, permits, and approvals as may be required by law for the performance of the services required by the Agreement. (See Exhibit B.)

1.4 Warranty. The Contractor shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as may be caused by City's own negligence. Contractor warrants all work under the Agreement to be of good quality and free from any defective or faulty material and workmanship. Contractor agrees that for a period of one year (or the period of time specified elsewhere in the Agreement or in any guarantee or warranty provided by any manufacturer or supplier of equipment or materials incorporated into the work, whichever is later) after the date of final acceptance, Contractor shall within ten (10) days after being notified in writing by the City of any defect in the work or nonconformance of the work to the Agreement, commence and prosecute with due diligence all work necessary to fulfill the terms of the warranty at his sole cost and expense. The 1-year warranty may be waived in Exhibit "B" if the services hereunder do not include construction of any improvements or the supplying of equipment or materials.

1.5 Special Requirements. Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a

conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

2. COMPENSATION

2.1 Contract Sum. For the services rendered pursuant to this Agreement, Contractor shall be compensated in accordance with the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference, but not exceeding the maximum contract amount of \$180,000 per year ("Contract Sum").

2.2 Invoices. Each month Contractor shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Community Development Director. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories.

City shall independently review each invoice submitted by the Contractor to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Contractor which are disputed by City. City will use its best efforts to cause Contractor to be paid within forty-five (45) days of receipt of Contractor's correct and undisputed invoice. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor for correction and resubmission.

2.3 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Contractor, incorporating therein any adjustment in (i) the Contract Sum, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Contractor. Any increase in compensation of up to ten percent (10%) of the Contract Sum but not exceeding a total contract amount of \$18,000 or in the time to perform of up to one hundred eighty (180) days may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively must be approved by the City.

2.4 Prevailing Wages. Contractor is aware of the requirements of California Labor Code Section 1720, *et seq.*, and 1770, *et seq.*, as well as California Code of Regulations, Title 8, Section 1600, *et seq.*, ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on "Public Works" and "Maintenance" projects. If the Services are being performed as part of an applicable "Public Works" or "Maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with such Prevailing Wage Laws. Contractor shall determine the applicable prevailing rates and make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the Services available to interested parties upon request, and shall post copies at the Contractor's principal place of business and at the project site. Contractor shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and harmless from any claim or liability arising out of any failure or alleged failure to comply with

the Prevailing Wage Laws. The provisions of this Section may be waived in Exhibit "B" if inapplicable to the services provided hereunder.

3. PERFORMANCE SCHEDULE

3.1 Time of Essence. Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance. Contractor shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Contractor, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding thirty (30) days cumulatively.

3.3 Force Majeure. The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Contractor shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Contractor be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Contractor's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Inspection and Final Acceptance. City may inspect and accept or reject any of Contractor's work under this Agreement, either during performance or when completed. City shall reject or finally accept Contractor's work within forty five (45) days after submitted to City. City shall accept work by a timely written acceptance, otherwise work shall be deemed to have been rejected. City's acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any work by City shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to, Article 5, pertaining to indemnification and insurance, respectively.

3.5 Term. Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until June 30, 2014, except as otherwise provided in the Schedule of Performance (Exhibit "D"). The City's Administrative Officer, or designee, may, in his or her sole and absolute discretion, extend this Agreement through June 30, 2016 in writing before June 30, 2014.

4. COORDINATION OF WORK

4.1 Representative of Contractor. _____ is hereby designated as being the representative of Contractor authorized to act on its behalf with respect to the work and services specified herein and make all decisions in connection therewith. All personnel of Contractor and any authorized agents shall be under the exclusive direction of the representative of Contractor. Contractor shall make every reasonable effort to maintain the stability and continuity of Contractor's staff and subcontractors, and shall keep City informed of any changes.

4.2 Contract Officer. The Community Development Director is hereby designated as being the representative the City authorized to act in its behalf with respect to the work and services specified herein and to make all decisions in connection therewith ("Contract Officer"). The City Manager shall have the right to designate another Contract Officer by providing written notice to Contractor.

4.3 Prohibition Against Subcontracting or Assignment. Contractor shall not contract with any entity to perform in whole or in part the work or services required hereunder without the express written approval of the City. Neither this Agreement nor any interest herein may be assigned or transferred, voluntarily or by operation of law, without the prior written approval of City. Any such prohibited assignment or transfer shall be void.

4.4 Independent Contractor. Neither the City nor any of its employees shall have any control over the manner, mode or means by which Contractor, its agents or employees, perform the services required herein, except as otherwise set forth. Contractor shall perform all services required herein as an independent contractor of City with only such obligations as are consistent with that role. Contractor shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City, or that it is a member of a joint enterprise with City.

5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. The Contractor shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) Comprehensive General Liability Insurance (Occurrence Form CG0001 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than \$1,000,000.00 per occurrence or if a general aggregate limit is used, either the general aggregate limit shall apply separately to this contract/location, or the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Contractor and the City against any loss, claim or damage arising from any injuries or occupational diseases

occurring to any worker employed by or any persons retained by the Contractor in the course of carrying out the work or services contemplated in this Agreement.

(c) Automotive Insurance (Form CA 0001 (Ed 1/87) including “any auto” and endorsement CA 0025 or equivalent). Said policy shall include coverage for owned, non-owned, leased and hired cars.

All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents shall apply in excess of, and not contribute with Contractor’s insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Contractor shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Contractor has provided the City with Certificates of Insurance or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated “A” or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City Manager or other designee of the City due to unique circumstances.

5.2 Indemnification. To the full extent provided by law, Contractor agrees to indemnify, defend and hold harmless the City, its officers, employees and agents against, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities, including paying any legal costs, attorneys fees, or paying any judgment (herein “claims or liabilities”) that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work or services of Contractor, its officers, agents, employees, agents, subcontractors, or invitees, provided for herein (“indemnitors”), or arising from Contractor’s indemnitors’ negligent performance of or failure to perform any term, provision, covenant, or condition of this Agreement, except claims or liabilities to the extent caused by the negligence or willful misconduct of the City indemnitees.

5.3 General Insurance Requirements. All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents shall apply in excess of, and not contribute with Contractor’s insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance

(d) Contractor shall promptly notify the City should Contractor be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. The City retains the right, but has no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with the City and to provide the City with the opportunity to review any response to discovery requests provided by Contractor.

6.4 Ownership of Documents. All studies, surveys, data, notes, computer files, reports, records, drawings, specifications, maps, designs, photographs, documents and other materials (the “documents and materials”) prepared by Contractor in the performance of this Agreement shall be the property of the City and shall be delivered to the City upon request of the Contract Officer or upon the termination of this Agreement, and Contractor shall have no claim for further employment or additional compensation as a result of the exercise by the City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Moreover, Contractor with respect to any documents and materials that may qualify as “works made for hire” as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed “works made for hire” for the City.

7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California.

7.2 Disputes; Default. In the event that Contractor is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Contractor for any work performed after the date of default. Instead, the City may give notice to Contractor of the default and the reasons for the default. The notice shall include the timeframe in which Contractor may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, if circumstances warrant. During the period of time that Contractor is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. If Contractor does not cure the default, the City may take necessary steps to terminate this Agreement under this Article.

7.3 Legal Action. In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.4 Termination Prior to Expiration of Term. This Section shall govern any termination of this Contract except as specifically provided in the following Section for

termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon thirty (30) days' written notice to Contractor, except that where termination is due to the fault of the Contractor, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Contractor reserves the right to terminate this Contract at any time, with or without cause, upon sixty (60) days' written notice to City, except that where termination is due to the fault of the City, the period of notice may be such shorter time as the Contractor may determine. Upon receipt of any notice of termination, Contractor shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Contractor has initiated termination, the Contractor shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer. In the event the Contractor has initiated termination, the Contractor shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder, but not exceeding the compensation provided therefore in the Schedule of Compensation Exhibit "C". In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.5 Termination for Default of Contractor. If termination is due to the failure of the Contractor to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Contractor for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

8. MISCELLANEOUS

8.1 Covenant Against Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color creed, religion, sex, marital status, national origin, or ancestry in the performance of this Agreement. Contractor shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color creed, religion, sex, marital status, national origin, or ancestry.

8.2 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Contractor, or any successor in interest, in the event of any default or breach by the City or for any amount, which may become due to the Contractor or to its successor, or for breach of any obligation of the terms of this Agreement.

8.3 Notice. Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer, at City of Bell City Hall, 6330 Pine Avenue, Bell, California 90201 and in the case of the Contractor, to the person at the address designated on the execution page of this Agreement.

8.4 Integration; Amendment. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

8.5 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

8.6 Waiver. No delay or omission in the exercise of any right or remedy by non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.7 Attorneys' Fees. If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees, whether or not the matter proceeds to judgment.

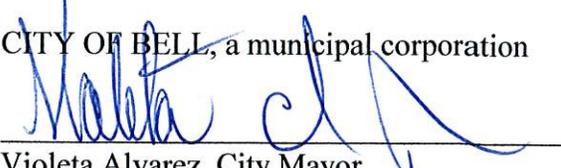

8.8 Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound.

EXHIBIT "A"

SCOPE OF SERVICES

The Contractor shall remove graffiti from all City-owned, private residential, commercial, and industrial structures, up to forty feet in height. Contractor shall inspect all referrals to determine the method to be used for the graffiti removal. Methods of removal may include water blasting or other pressurized removal systems, matching existing painted surfaces or other eradication procedures as approved by the City. Contractor shall determine the most effective method(s) for removal of the graffiti at each location. The method(s) of removal will vary depending upon the type of graffiti and condition of the surface. Contractor must use care to avoid damages to existing structures (e.g., buildings, windows, doors, walls, etc.). Existing structures damaged by the Contractor shall be repaired at the Contractor's sole expense to the satisfaction of the City.

1. **Processes, Materials and Equipment**

A. Preparation: Contractor shall properly prepare all stucco, masonry, metal, wood or other exterior surfaces in a manner that will result in an acceptable bonding of the applied paint and deter the visibility of graffiti. Contractor will use new and/or recycled water based paint. The City encourages the use of recycled paint. However, no lead-based paint will be used.

B. Application Quality: The materials shall be applied in such a manner as will ensure smooth, even, uniform coats free of dirt, drips, ridges, waves, drops, runs, brush marks, sags, and laps. If any of these existed before, they shall be properly corrected and prepared before painting. When completed, the painting shall represent a first class, workman-like appearance. All work areas shall be cleaned of all debris, residue and excess paint immediately after completion of work.

C. Application Process: Paint shall be applied under dry, dust free conditions and shall not be applied when the temperature is below 40 degrees Fahrenheit. All primer and intermediate coats of paint shall be unscarred and completely integral as well as completely dry at the time of the application of each succeeding coat. Contractor shall match the existing surface color when painting over or obscuring graffiti whenever possible. Paint shall be neatly feathered in all areas. If residents/businesses request a specific color, Contractor may provide labor as long as paint has been provided by the resident/business.

D. Supplies and Equipment: Contractor shall provide its own vehicle, equipment, supplies and materials necessary to perform the work outlined. Further, Contractor shall have an aerosol spray unit (minimum 2500 p.s.i.) and standard extension ladder on Contractor vehicle and such other equipment as may be necessary to perform graffiti removal (e.g., brushes, etc.). Contractor shall have the ability to remove graffiti from difficult locations. Contractor must have extension ladders on every vehicle and 24 hours a day, seven days a week, access to a bucket truck with a minimum extension height of forty feet.

E. Manufacturer Directions: Manufacturer's recommendations for mixing, thinning, applying, type of exposure, surface to be covered, and type of surface wear to which the paint will be subjected shall be explicitly followed.

- F. Paint Match:** The Contractor shall verify, to the satisfaction of the City, its method for matching paint. All repainted surfaces shall reasonably match wall color to the satisfaction of the Community Development Director or designee.
2. **Technology:** The Contractor shall provide a system that allows the community to report graffiti via phone, a free app on smart phones (iOS and Android), email, and a web-page. A person who has reported graffiti and has provided contact information shall receive a notice that the graffiti has been removed. The contractor shall provide to the City a web-based database system to track graffiti incidents. All graffiti incidents must show the date and time that the incidents were reported to the Contractor.
 3. **Response and Removal Time:** The Contractor shall remove graffiti within 24 hours of a graffiti location being reported by City staff or the public via phone, email, a web-page or smart phone seven days a week – no exceptions for holidays. Contractor shall also provide emergency services (removal of vulgar, racial or pornographic images, etc. within one hour of notification). At the City’s discretion and on a case-by-case basis, a 48 hour response time may be acceptable.
 4. **Contractor Responsibility:** Contractor is to assume the responsibility for all work and tenant and property owner relations.
 5. **Right of Entry:**
 - A. **Private Property:** Graffiti removal from private property will require a release from the property owner consenting to graffiti removal. Contractor must obtain written approval to enter and release of liability prior to starting the graffiti removal. Graffiti to be removed from private property must be visible from the public right-of-way.
 - B. **Public Right-of-Way Property:** Authorization shall be given by the Community Development Director for the removal of graffiti on public property.
 - C. **Commercial signage:** Graffiti found on commercial signage shall only be removed with the owner's/occupant's specific, written approval and with the owner's/occupant's understanding that Contractor is not responsible, under this contract, for replacing any original lettering, pictures, etc., on a commercial sign. With the owner's/occupant's approval, Contractor shall proceed with diligence to remove the graffiti with as little damage to the commercial sign as possible. Graffiti to be removed from private commercial property must be visible from the public right-of-way.
 6. **Clean up:** All finished surfaces of the building shall be left clean and reasonably dust free. At completion of work, Contractor shall clean all exposed surfaces soiled by the work; repair all damage caused by the work at no extra cost to the property owner or the City of Bell; remove all debris created as a direct result of the work from the job site; and leave the entire installation ready for use.
 7. **Public Relations and Safety:** Contractor shall at all times conduct services with the utmost of courtesy to the public. All employees of Contractor shall wear clean clothing in the performance of duties, and equipment shall be clean and maintained in a safe operating manner. All equipment shall be subject to inspection by the Community Development Director, or designee. All

personnel shall wear appropriate safety gear at all times while removing graffiti in the City of Bell.

8. **Photographic Documentation:** The contractor shall photographically document all locations prior to removal of graffiti and shall maintain said photographs. Upon removal of graffiti, the Contractor shall take an additional photograph of the same area. Digital photos of the abated sites shall be available online and accessible by City staff at any time. The City prefers a web-based photo system that updates in real time while in the field.
9. **Daily Logs:** Daily logs shall be maintained identifying graffiti removal sites by census tracts and block groups. Monthly program reports shall be submitted within five (5) days of the end of the month. Information on total graffiti removal in square feet and number of sites shall be provided. Should accomplishment target not be met for the reporting period, steps to remedy the situation shall be provided along with an implementation schedule.
10. **Air and Water Pollution Regulations Compliance:** The Contractor shall be required to conform to all current regulations of the South Coast Air Quality Management District (AQMD). The Contractor is also required to adhere to the provisions of the Federal Clean Water Act as regulated by the U.S. Environmental Protection Agency (EPA) in Code 40, Code of Federal Regulations (CFR) Parts 122, 123, 124, the Porter-Cologne Act (California Water Act), and the National Pollutant Discharge Elimination System (NPDES) requirements. Suitable Best Management Practices (BMPs) shall be applied to prevent any chemical, debris or any non-storm water discharges from entering the storm drain system (storm drains and gutters).
11. **Retention of Financial Records:** Contractor agrees to maintain financial records and accounts to assure proper accounting for all CDBG Program funds and to support all program expenditures for a period of five (5) years. These records and accounts shall include, but not be limited to, the following:
 - A. Records documenting procurement of goods and services;
 - B. Lease or Rental Agreements;
 - C. Invoices;
 - D. Billing Statements;
