# City of Bell Agenda Report

---

DATE: July 13, 2011

TO: Honorable Chair and Planning Commission Members

FROM: Pedro Carrillo, Interim Chief Administrative Officer

BY: Carlos M. Chacon, Assistant City Planner

SUBJECT: CONSIDERATION OF PUBLIC HEARING FOR CONDITIONAL USE PERMIT NO 2010-03 TO ALLOW AN ALCOHOLIC BEVERAGE CONTROL TYPE 41 (ON-SALE BEER AND WINE FOR A BONA FIDE EATING PLACE) LICENSE FOR AN EXISTING EATING ESTABLISHMENT (LA CASITA MEXICANA RESTAURANT), LOCATED AT 4030 GAGE AVENUE IN BELL CA.

## **RECOMMENDATION**

Staff recommends that the application be reviewed, the public hearing be opened, and that the Planning Commission Adopt Planning Commission Resolution No. PC 2011-25 entitled:

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF BELL APPROVING CONDITIONAL USE PERMIT NO. 2010-03 TO ALLOW AN ALCOHOLIC BEVERAGE CONTROL TYPE 41 (ON-SALE BEER AND WINE FOR A BONA FIDE EATING PLACE) LICENSE FOR AN EXISTING EATING ESTABLISHMENT (LA CASITA MEXICANA RESTAURANT), LOCATED AT 4030 GAGE AVENUE IN BELL CA.**

## **SUMMARY**

The applicant, La Casita Mexicana Inc. (sometimes referred to herein as "restaurant" or "applicant") is requesting that the City of Bell Planning Commission consider a request for Conditional Use Permit (CUP 2010-03 to permit Alcoholic Beverage Control Type 41 (On-Sale Beer and Wine - Eating Place) License for the sale of beer and wine for on-site consumption in conjunction with a bona fide eating place pursuant to Bell Municipal Code, Chapter 17.96.030.

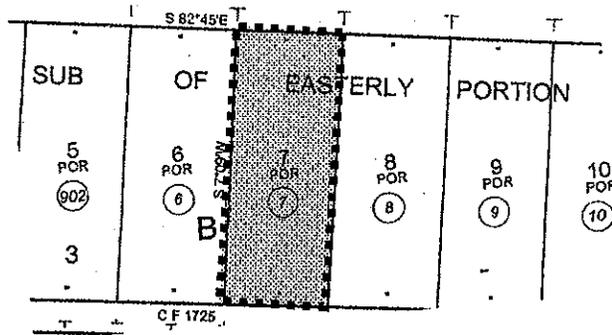

**BACKGROUND**

La Casita Mexicana Restaurant, an established Mexican-style restaurant, has been operating at the site since February 1998. The current owners, Jaime Martin Del Campo and Ramiro Arvizu, acquired La Casita Mexicana Restaurant February 10, 1998. The owners of the restaurant would like to provide service for its patrons for the on-site sale of beer and wine for on-site consumption in conjunction with the restaurant use.

**DESCRIPTION OF PROPERTY AND IMPROVEMENTS**

The property is located on the south side of Gage Avenue west of Gifford Avenue and east of Corona Avenue. The property consists of a 6,500 square foot parcel with approximately 50 linear feet of street frontage along Gage Avenue. The property is currently developed with a 3,500 square foot commercial building. The building has 3 separate units, two of which La Casita Mexicana leases and operates the Mexican Restaurant and the other as La Tiendita Mexicana, a gift shop selling items associated with the Restaurant's cuisine and souvenirs from Mexico. The two units that are leased by La Casita Mexicana are separated by third unit of the building that is currently occupied by Bertha's Hair Salon. The owners have expressed an interest in acquiring the lease as a potential expansion point for the restaurant in the future.

South	R-3	High Density Multi Family Residential
East	C-3R	Commercial Mixed Use
West	C-3R	Commercial Mixed Use

### LAND USE STATISTICS

Building Area (square feet)	3,500 sq. ft.
Area of Restaurant	868 sq. ft.
Total Number Parking Spaces Required for Restaurant Use	8 spaces
Total Number of Parking Spaces Existing	8+1HC= 9 spaces

### **GENERAL PLAN CONSISTENCY**

The City's General Plan Land Use Element designates the subject property for Commercial use. The proposed use would be consistent with the General Plan and does not conflict with the established goals and objectives of the Land Use Element, which state that restaurants are a permitted use in the C-3R zone. The subject property is located within the C-3R zone. Pursuant to Section 17.96.030 (2) (a) of the Bell Municipal Code, any bona fide restaurant may serve alcoholic beverages, for on premises consumption only with a valid Conditional Use Permit.

### **PUBLIC CONVENIENCE OR NECESSITY**

Pursuant to sections 23958 and 23958.4 of Business and Professions Code the Department of Alcoholic Beverage Control will not issue an alcoholic beverage license

to a restaurant located in an area of "undue concentration" unless the local government entity first makes a finding of "Public Convenience or Necessity" for the sale of alcoholic beverages at that location.

The project is located within Census Tract 5336.02, which the Department of Alcoholic Beverage Control has determined, based on Census Tract population information, to allow up to six (6) on-sales type Department of Alcoholic Beverage Control (ABC) Licenses. According to ABC records, as of June 2011, there are two (2) existing licenses within the Census Tract 5336.02. Therefore, ABC will not require the local government to issue a Public Convenience or Necessity finding in order to issue the new license.

### **CRIME STATISTICS**

Staff conducted a study to determine the local crime statistics for the subject location. The study showed negligible amount of crime for the location. In the last 3 years, the study showed there has been only three incidents at 4030 Gage Avenue. Specifically, a fight that was reported in July 2009, a vehicle theft was reported in May 2009, and a hit and run was reported in front of the business in March 2011.

### **CERTIFICATE OF OCCUPANCY AND BUSINESS LICENSE**

The City has issued certificates of occupancy for the present restaurant use. The current business owners have a current business license issued by the City.

### **BUILDING AND SAFETY/CODE VIOLATIONS**

There were no outstanding building permits or code violations identified during the review process.

### **ARCHITECTURAL REVIEW**

The structure on the subject property is a pre-existing commercial building with access being provided by an existing parking lot at the rear of the property on Gage Avenue. There will be no additions and/or modifications made to the restaurant.

### **PUBLIC NOTICE**

In conformance with applicable law, staff sent out notices to all the surrounding property owners within 500 feet of the project location. A total of 115 owners were notified of the proposed application and project proposal. Also, the notice was posted at three specific sites in the City, and was published on June 30, 2011 in a newspaper of general circulation which is adjudicated in the City for public notice.

### **ENVIRONMENTAL REVIEW**

Staff has reviewed the Conditional Use Permit application and determined that the proposed project qualifies for a Class 1 Categorical Exemption pursuant to Section 15301 (Existing Facilities) of the California Environmental Quality Act ("CEQA") Guidelines, Title 14, Chapter 3 of the California Code of Regulation and is thereby exempt from CEQA, Public Resources Code Sections 21000 et seq. Consequently, the staff has prepared a Notice of Exemption.

### **FINDINGS OF FACT**

The Applicant has submitted responses to the required findings pursuant to Chapter 17.96.040 of the Bell Zoning Code. Staff notes that the following circumstances are applicable to the subject site:

1. The site for the proposed use is adequate in size, shape and topography to accommodate the proposed use. The proposed site plan requires no modifications to the current layout of existing restaurant to accommodate the on-site service of beer and wine in the restaurant. The approval of the use will not result in any changes within the business other than to offer an additional service of beer or wine for on-site consumption to patrons who choose to dine at the facility.
2. The subject site has sufficient access to public streets and highways adequate in width and pavement type, to carry the quantity and quality of vehicular and pedestrian traffic expected to be generated by the proposed use. The subject site is located on Gage Avenue which is a major arterial street that can handle the current and future generated traffic for this existing facility.
3. The location of the proposed use on the site is compatible with existing and proposed uses along the commercial corridor along Gage Avenue. The proposed sale of beer and wine for on-site consumption will not adversely affect or be materially detrimental to such adjacent uses, buildings or structures or to the public health, safety or general welfare in that the surrounding area is composed of other similar commercial uses, two of which also serve beer and wine in conjunction to their existing bona fide eating establishments.
4. The conduct of the proposed use is in compliance with the applicable provisions of the general plan of the City of Bell. The proposed use will be promoting economic stability through the provision of an additional service to patrons which will result in the diversification of the commercial base along the Gage Avenue corridor.

### **CONDITIONS OF APPROVAL**

If the Conditional Use permit is granted, Staff recommends that the following conditions be attached to the Conditional Use Permit:

1. The property shall be maintained in accordance with:

19. Any additional signage shall require that a signage plan be submitted separately and approved by the Architectural Review Board, pursuant to the provisions outlined in the Bell Zoning Code;

20. The on-site sale and consumption of beer and wine shall be sold only in conjunction with food service;

**RESOLUTION 2011-25**

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF BELL, APPROVING CONDITIONAL USE PERMIT NO. 2010-03 TO ALLOW AN ALCOHOLIC BEVERAGE CONTROL TYPE 41 (ON-SALE BEER AND WINE FOR A BONA FIDE EATING PLACE) LICENSE FOR AN EXISTING EATING ESTABLISHMENT (LA CASITA MEXICANA RESTAURANT), LOCATED AT 4030 GAGE AVENUE IN BELL CA.**

**A. RECITALS**

**WHEREAS**, La Casita Mexicana Inc. (the Applicant") filed a complete application for requesting the approval of Conditional Use Permit 2010-03 described herein ("Application");

**WHEREAS**, the Application pertains to an approximate 6,500 square foot property on Los Angeles County Assessor's Parcel number 6325-002-007 more commonly known as 4030 Gage Avenue, Bell, California ("Property");

**WHEREAS**, the Applicant requests approval of a Conditional Use Permit for the sale of beer and wine for on-site consumption in conjunction with a bona fide existing restaurant (Department of Alcoholic Beverage Control Type 41 License) as require by Section 17.96.030 (2)(a) of the Bell Municipal Code; and

**WHEREAS**, an environmental assessment form was submitted by the Applicant pursuant to pertinent City requirements. Based upon the information received and Staff's assessment, the project was determined not to have a significant environmental impact on the environment and is categorically exempt from the California Environmental Quality Act ("CEQA") (Public Resources Code Section 210000 *et seq.*) and pursuant to Section 15301 of the CEQA guidelines, Title 14, Chapter 3 of the California Code of Regulation; and

**WHEREAS**, on July 13, 2011, the Planning Commission of the City of Bell conducted a duly noticed Public Hearing on the Application, and all legal pre-requisites to the adoption of this resolution have occurred.

**B. RESOLUTION**

**NOW, THEREFORE, THE PLANNING COMMISSION DOES HEREBY FIND, DETERMINE AND DECLARE AS FOLLOWS:**

1. All of the facts set forth in the recitals, Part A of this resolution, are true and correct and are incorporated herein by reference.
2. All necessary public hearings and opportunities for public testimony and comment have been conducted in compliance with State law and the Municipal Code of the City of Bell.
3. Upon independent review and consideration of all pertinent information and the information contained in the Notice of Exemption for the CUP, the

Planning Commission hereby finds and determines that the proposed project is exempt from California Environmental Quality Act ("CEQA") (Public Resources Code Section 21000 et seq.) pursuant to the Class 1 categorical exemption in Section 15301(a) of the CEQA Guidelines (Title 14, Chapter 3 of the California Code of Regulations) in that the project involves the occupation of an existing building. The Planning Commission further finds that the proposed project will not result in direct or indirect significant impact on the environment. Accordingly, the Planning Commission adopts the Notice of Exemption and directs the Staff to file the Notice of Exemption as required by law.

4. Based upon the ample evidence presented to this Commission during the July 13, 2011 public hearing, including public testimony and written and oral staff reports, this Commission finds as follows:
  - a) The proposed use is consistent with the project site being that the proposed site plan showed no modifications to the current layout of existing restaurant. The approval of the use will not result in any changes within the business other than to offer an additional service of beer or wine for on-site consumption, to patrons who choose to dine at their facility.
  - b) The subject site has sufficient access to public streets and highways adequate in width and pavement type, to carry the quantity and quality of vehicular and pedestrian traffic expected to be generated by the proposed use. The subject site is located on Gage Avenue which is a major arterial street that can handle the current and future generated traffic for this existing facility.
  - c) The location of the proposed use on the site is compatible with existing and proposed uses along the commercial corridor along Gage Avenue. The proposed sale of beer and wine for on-site consumption will not adversely affect or be materially detrimental to such adjacent uses, buildings or structures or to the public health, safety or general welfare in that the surrounding area is composed of other similar commercial uses that serve beer and wine in conjunction to their existing bona fide eating establishments.
  - d) The conduct of the proposed use is in compliance with the applicable provisions of the general plan of the City of Bell. The proposed use will be promoting economic stability through the provision of an additional service to patrons which will result in the diversification of the commercial base along the Gage Avenue corridor.

Assured the audience the firm has never represented the Bell Police Department, any member within the Bell Police Department, nor any entity within the city. Acknowledged a conflict would occur if they had been representing the Bell Police Department. Mr. Aleshire stated his firm's only affiliation with the BASTA group was in regard to the recall process and did not charge this group for their service. Mr. Aleshire stated his decision for not having charged BASTA was related to his father's experience as a City Manager in La Puente. Mr. Aleshire stated that work still needs to be done, and that his firm would love to be a part of this process.

10:36:45 PM Steven Quintanilla, representing Green, de Bortnowsky & Quintanilla, LLP, stated he was honored to be presenting himself to the city and community. Mr. Quintanilla stated his firm only represents public agencies and redevelopment agencies but turns down private clients. Mr. Quintanilla mentioned that his firm represents the cities of Victorville, Rancho Mirage, and Cathedral City. He stated his firm's qualifications and their broad experience to provide the city with all services it would need. Mr. Quintanilla claimed that all the competitors are equally qualified to carry out these services but that his experiences and upbringing turned him into a strong individual who understands the residents of Bell. Mr. Quintanilla mentioned his experience exposing corruption in different cities. He then assured the residents that if his firm were to be selected, he would bring to their attention any conflict of interest he may witness.

10:47:35 PM Jimmy Gutierrez, representing the Law Firm of Jimmy Gutierrez, thanked the Council for allowing them to participate and commended them for their great work. Mr. Gutierrez expressed why he believed his firm to be the most exceptional and experienced for the task. Mr. Gutierrez claimed they charge less than the other firms, have no connections with the City of Bell, and are efficient in the services they provide. Mr. Gutierrez introduced his assistants Melissa and Arturo and gave a brief background on them. He then claimed no person to be perfect, and disclosed his DUI arrest. This experience taught him seven deadly risks he warned a firm should watch out for.

11:14:15 PM Mario Rivas, 6336 Home Avenue, expressed his concern that a possible conflict of interest may occur if Mr. Aleshire is selected. Mr. Rivas stated that they need a candidate that has no connection to the city if the image of the city is to change

11:17:03 PM Nora Saenz, 6251 Woodlawn Avenue, asked if any Councilmembers have considered making the City Attorney position an employee position as this could potentially save the city money.

11:18:00 PM Councilman Valencia responded that this is a process and if an attorney is chosen then this would allow the city staff to negotiate with the law firm. He then mentioned that the city might look into hiring employees as well but this would be in the future.

11:32:46 PM Dr. Richard Espiritu, thanked Jaime for his services and acknowledged the council for doing their work, as well as the community for carrying out their own research. Dr. Espiritu urged the community to come together and remember the past council.

11:35:05 PM Councilman Valencia inquired as to who would be the primary attorney.

11:36:22 PM Mayor Saleh responded that the primary Attorney would be David Aleshire and Edward Bertrand would be the Assistant Attorney.

11:36:45 PM David Aleshire responded as well that he would be the primary Attorney and Edward Bertrand would be the Assistance Attorney.

11:36:55 PM Councilman Valencia asked David Aleshire to speak about the possible conflict of interest and when was the first time they met.

11:37:31 PM David Aleshire responded that he was introduced to Councilman Valencia through an Interim City Manager of Maywood.

11:38:39 PM Vice Mayor Harber, motioned to make Aleshire & Wynder the city's legal counsel.

11:39:00 PM Councilwoman Quintana asked to have a discussion before seconding the motion.

11:39:53 PM Mayor Saleh stated there is a motion on the floor and needs to have a second, otherwise the motion would die.

11:39:42 PM Interim City Attorney Casso stated further discussion can occur even with a motion and a second.

11:40:51 PM Councilwoman Alvarez seconded the motion.

11:41:04 PM Councilman Valencia spoke about the qualifications of the three firms and expressed his wish to have made the closed session open. Councilman Valencia stated he tried to be very objective during this process and expressed his concern of giving David Aleshire too much credit while acknowledging he put much effort into the recall process. Councilman Valencia expressed his opinion that the Council has been working together.

11:47:17 PM Vice Mayor Harber stated denying Mr. Aleshire the position for their role in the recall process would be punishment. He then stated the three firms preferred having the interviews in closed session.

11:48:14 PM Councilwoman Alvarez thanked everyone for attending the special meeting.

11:48:46 PM Councilwoman Quintana stated she was selected to be a part of the ad-hoc committee because she was also an attorney. Councilwoman Quintana stated she looked for objectivity, knowledge and experience from the firms.

11:51:55 PM Mayor Saleh stated the process was difficult and looked for qualifications, cost, and expertise from the firms. Mayor Saleh then stated he also researched the law firms on his own.

11:53:11 PM Councilman Valencia stated it may be worth to undergo the process and view if either the Mayor or Mr. Aleshire could be in a conflict of interest.

11:54:38 PM Councilwoman Quintana asked if Mr. Casso could address the conflict of interest issue.

11:54:57 PM Interim City Attorney Mr. Casso responded and addressed the issue noting they are different kinds of conflict of interests.

11:56:21 PM Councilman Valencia expressed his desire to be clear to the public that there is no conflict of interest involved by getting the opinion from the state level.

11:57:26 PM Interim City Attorney Casso stated that even if a conflict existed it could be waived.

11:58:05 PM Councilman Valencia asked if it would be theoretically possible to have Mr. Aleshire excluded from the discussion on the POA contract.

11:58:40 PM Mayor Saleh assured Councilman Valencia that the choice to have Aleshire & Wynder excluded from the discussion on the POA contract would ultimately be up to the Council.

11:59:26 PM Councilwoman Quintana reassured everyone that the firm selection process has been extensive.

# City of Bell Agenda Report

---

DATE: July 13, 2011  
TO: Mayor and Member of the City Council  
FROM: Pedro Carrillo, Interim Chief Administrative Officer  
SUBJECT: Service Agreement with City of Inglewood for Parking Citation Processing

## BACKGROUND

The City of Bell entered into an agreement with the City of Inglewood on December 11, 2007 for parking citation processing services. Such agreement provides access to the City of Inglewood's parking citation processing software, information technology technical support, processing and delivery of courtesy notices, access to Department of Motor Vehicle Registered Owner database, processing of telephone payments, and collection of delinquent citations via contracted collection agency and the State Franchise Tax Board.

The utilization of this system continues to provide revenue to the City; has created a sense of awareness in the community for compliance with the City's parking regulations; and more importantly is deterrence for overnight parking increasing citizen's safety in city streets.

The various fees are charged on per-use basis; City's cost is directly associated with the volume of citations issued. The financial benefit of contracting with this Agency far exceeds its costs. The annual average payments made to the City of Inglewood are less than twenty thousand dollars; on the other hand, revenues received ranged from three hundred to five hundred thousand in the last three fiscal years.

Due to the lack of a functioning City Council, the City of Inglewood provided an exception and allowed the City of Bell to continue to operate its software without a contract. The most recent contract expired on November 30, 2010. City of Inglewood is currently urging the execution of the contract to avoid any disruptions in service. City of Inglewood may immediately cease the continuation of services as it contravenes with its business rules.

The City may forego a general fund revenue source creating a substantial fiscal impact in the unstable General Fund if it fails to execute the service agreement as required by the City of Inglewood.

## RECOMMENDATION

It is recommended that the Bell City Council authorize the extension of the Parking Citation Processing and Collections Service Agreement between the City of Bell and the City of Inglewood effective December 1, 2010 through November 30, 2011.

12 Each Client approves a contract with Inglewood for reimbursement of cost of citation processing  
13 services based on the Client's service level and volume. Clients can modify their scope of  
14 services to add or stop individual services by issuing written change notice to ICMS. Fees for  
15 services in Exhibit A include all Inglewood direct cost, administrative costs to and indirect costs  
16 for providing citation management services. See notes for additional details about fees and  
17 administrative charges.

18 **NOTES**

- 19 1. The fee for use of the AutoPROCESS System is a transaction charge per citation  
20 processed. The rate charged is dependent on the Clients annual citation volume.  
21 Determination of "volume" is based on a Client's citations processed during the prior  
22 calendar year.
- 23 2. Rates for notice printing and mailing include postage at the current prevailing rate. This  
24 service fee will be adjusted to offset any increase in the standard U.S. first class postage  
25 rate in the future. Client will be notified of postal rate changes and the impact on service  
26 fees for letter and post card notices as they occur.
- 27 3. Customer service is an optional service with charges based fixed fee per total citations  
28 processed. Two (2) levels of service are available. If Client select the Administrative

1 Support level, the Client shall receive the following services: call center services with a  
2 toll free number for violators to call with citation inquiries, interactive voice response  
3 service for inquiry on outstanding citations and frequently asked questions,  
4 correspondence services including processing of all in-bound correspondence from  
5 customers, scheduling of administrative review and hearing requests and resolution of,  
6 administrative reviews when required and online forms for customers' correspondence.

7 4. Lockbox payment processing is an optional service with charges based on citation  
8 payments processed. Funds collected will be deposited to a Client's designated bank  
9 account or mailed to the Client based on mutual agreement of the preferred method.  
10 The Client is responsible to notify Inglewood if a NSF check situation occurs and they  
11 wish to reinstate the amount due, plus any NSF fee they wish to impose. The Client has  
12 the option to request a charge to customers be added to the amount due for the citation.

13 5. Payment exception processing services relates to Lockbox payment processing services  
14 with charges based on actual transactions processed. The notice letter fee applies  
15 when a letter to customer is required.

16 6. The ICMS fee of \$1.06 per transaction for Internet and IVR payment processing includes  
17 system use, telephone usage charges. Client Agencies are responsible for charges for  
18 merchant service fees, bank charges and credit card discount fees. Net proceeds will be  
19 transferred to the Client's designated bank account or paid on agreed upon scheduled.

20 7. The ICMS fee of \$2.68 per transaction for Internet and IVR payment processing includes  
21 system use, telephone usage charges and charges for merchant service fees, bank  
22 charges and credit card discount fees. Net proceeds will be transferred to the Client's  
23 designated bank account or paid on agreed upon scheduled.

24 8. The ICMS fee of \$3.00 per transaction for Internet and IVR payment processing includes  
25 system use, telephone usage charges and charges for merchant service account and  
26 associated fees, bank charges and credit card discount fees. Net proceeds will be  
27 transferred to the Client's designated bank account minus the convenience fee revenue  
28

1 and provide a daily transaction report. The Internet payment screens and IVR scripts  
2 will be modified to reflect the convenience fee is assessed by the vendor not the Client.

3 9. Costs to ICMS for obtaining out of state registered owner information will be billed based  
4 on the actual charges incurred from provider of this information.

5 10. Three (3) levels of optional delinquent account secondary collection services are  
6 available. Client has the option of adopting collection fee charged to customer to offset  
7 collection costs. Details on these services and rates are available in Exhibit "C" of this  
8 Agreement.

9 11. The Client is billed for the cost of system customization, such as building cashiering  
10 interface, at the custom programming hourly rate with no additional administrative fee.  
11 All customization or special one-time services must be documented in writing with a  
12 work order and cost estimate prior to initiating the work. All reasonable out of pocket  
13 expenses and travel expenses related to this service will be reimbursed by the Client  
14 upon submittal of receipts.

15 12. The AutoPROCESS includes capability to issue and track parking permits. Use of this  
16 module is available at no additional cost. If the Client wishes to outsource the fulfillment  
17 of parking permits and processing of payments, ICMS can provide a proposal for these  
18 services, including purchasing of permit stock.

19 13. ICMS offers Client the option to use discounts price schedule for equipment, supplies  
20 and services. The equipment, supplies and services can be quoted by the ICMS  
21 contractor Professional Account Management LLC (Duncan Solutions). Duncan  
22 Solutions may offer Client flexible financing terms including monthly lease-purchase  
23 pricing. Prices will vary bases on number of devices, equipment configuration,  
24 peripherals, sales tax rate, length of agreement, shipping costs, installation costs,  
25 extended warranty cost and technical support requirements. A confirming purchase  
26 order needs to be issued by the Client to confirm terms, pricing and services.

27 14. ICMS offers Clients the option to use discount price schedules for equipment, supplies  
28 and professional services. The DocuPeak™ business process automation platform and

1 related professional services can be quoted by the ICMS contract Electronic Records  
2 Solutions (eRecords). A price quote will be provided to each client based on list price  
3 less 10% for software and services. Pricing options may include software as a service  
4 or licensed on-premise use of DocuPeak™. Prices may vary based on number of end  
5 users and data/image storage requirements, complexity of application, application  
6 configuration, training and on-going technical support. A confirming purchase order  
7 needs to be issued by the Client to confirm terms, pricing and services.

8 15. ICMS offers a number of optional services that can be provided to Client Agencies to  
9 supplement their staffing, work on backlog and provide revenue enhancement services.

10 These services require a scope of work and price quote.

11 16. Multi-media, workflow and dashboard systems require a price quote. The initial cost  
12 and monthly subscription fee for hosted IT service and base data/image storage quoted  
13 is based on projected volume for a Client Agency and their document retention plans.  
14 A discount in the initial setup costs and monthly hosted IT subscription will be provided  
15 when a Client Agency subscribes to two or more of the multi-media services within one  
16 purchase agreement.

17 17. ICMS citation processing and service fees are subject to an annual COLA increase  
18 based on U.S. Department of Labor All Items Los Angeles-Riverside-Orange County  
19 CA area consumer price index, with a not to exceed limitation of 3.5% per year. The  
20 COLA can be applied as of July 1, 2009 and each July 1st thereafter.

# City Of Bell Agenda Report

---

DATE: July 13, 2011  
TO: Mayor and Council Members  
FROM: Pedro Carrillo, Interim Chief Administrative Officer  
SUBJECT: Professional Services Agreement with RSCC Engineering, for Interim City Engineering Services

## **Background:**

In October 2010, the State Controller's Office audited the Gas Tax Fund, Proposition 1B, and Traffic Congestion Relief Fund for the period of July 1, 2007 through June 30, 2010. The report issued several findings and recommendations. Finding No 1 disclosed unsupported costs for engineering charges without a written contract. The State Controller recommended that the City has approved written contract for these services and solicitation of these services should be sought through a formal bidding process. Therefore, the City continues to work diligently to implement corrective actions to bring the City into full compliance as recommended by various audits.

Pursuant to Government Code Section 37103, and Municipal Code Section 10.04.020, the City may hire a traffic engineer, who shall serve as the Director of Public Works.

The City has received a proposal from RSCC Engineering, Inc. ("RSCC") to provide interim traffic engineering services. RSCC is currently providing the City with these services.

## **Discussion:**

As a result of the findings and issues identified, the interim Chief Administrative Officer (iCAO) terminated the contractual engineering services retained by the previous administration and proceeded to hire engineer services on an interim basis to avoid interruption in public work services. The iCAO has been introducing the consideration and approval of this contract for the last six months. Due to lack of operating council and court order restrictions, the contract was not considered by the former City Council. The proposed contract for interim engineering services is resubmitted for consideration and approval.

Under the terms of the proposed professional services agreement, RSCC will serve as the City's interim traffic engineer, and will be paid pursuant to a monthly retainer, at a rate of \$2,700.00 for the first twenty hours of services, and \$135.00 per hour thereafter.

Pursuant to the terms of the proposed scope of work, RSCC is required engage in the following: consult with staff and review all matters pertaining to engineering, attend City Council meetings, maintain municipal engineering records and maps at City Hall, advise the Chief Administrative Officer on opportunities for construction and engineering financing, assist in the preparation of capital improvement projects, review proposed land developments, and any other services generally performed by a city engineer.

Pursuant to 2010 Gas Tax audit, the General Fund had to reimburse \$521,086 to Gas Tax, Prop 1B, and Traffic Congestion Relief funds in the fiscal year 2009-2010, which \$301,810 represented ineligible engineering charges. Therefore, it is critical to approve the interim engineer agreement to comply with the State Controller's findings. Failure to meet the state requirements will result in further disallowance of expenditures **already paid** from Gas Tax, Prop 1B, Traffic Congestion Relief, and Prop C funds in the fiscal year 2010-2011.

### **Recommendation**

It is recommended that the Council authorize the Interim Chief Administrative Officer to enter into a professional services agreement with RSCC Engineering, Inc. for interim engineering services, subject to the approval as to form by the Interim City Attorney. In addition, direct the Interim Chief Administrative Officer to prepare and issue a request for proposal for engineering services for a permanent City Engineer.

# City of Bell Agenda Report

---

DATE: July 13, 2011

TO: Mayor and Member of the City Council

FROM: Pedro Carrillo, Interim Chief Administrative Officer

BY: Lourdes Garcia, Director of Administrative Services

SUBJECT: Update in Retaining Professional Services for Accounting, Financial Reporting, and Audit Services

## BACKGROUND

In September 2010, the State Controller audited the City's Administrative and Internal Accounting Controls for the period of July 1, 2008 through June 30, 2010. The audit report identified several deficiencies in the current system. Subsequently, the City of Bell approved, audit firm, resigned and declined finalizing the 2009-2010 annual audits for the City and its component units. Furthermore, the city experienced a turnover in accounting personnel leading to insufficient staffing levels to perform the City's financial and accounting work. The aforementioned events have led to a backlog in the accounting functions, failure to issue a Comprehensive Financial Annual Report (annual audit), and the inability to develop a proposed annual city budget. The City is currently working to implement corrective actions regarding these matters.

## DISCUSSION:

In light of the current events, the City must currently restore staffing levels, hire a qualified and reputable auditing firm, and meet its financial reporting requirements as prescribed by California Government Code 53901. In an effort to resolve these issues, the interim City of Bell Administration is recommending that the City Council review and consider the following recommendations for professional services:

### Accounting Consulting Services

Since July 2010, the City of Bell has had to deal with the departure of personnel due to resignations, terminations and retirements, some voluntary and some involuntary. As a direct result, the City of Bell has not had the appropriate staffing levels to deal with daily operations and subsequently has reorganized and reassigned tasks and responsibilities to the best of our

ability. The urgency for the consideration of the "Accounting Consulting Services" is to comply with recommendations issued in the various audits. The implementation of our staff recommendations address the lack of proper staffing levels noted in Appendix 1, A2(a) of the Audit Report on Administrative and Internal Accounting Controls for the period July 1, 2008 through June 30, 2010 (California State Controller's Audit Report). The City must add this assistance to showcase independence and minimize potential risks, specifically, the City is at risk of having several revenue sources defunded, due to the failure to issue audited financial statements.

The interim Chief Administrative Officer conducted a market search for professional accounting consultants who can provide the expertise and professional support in this area. In light of the additional demands generated from the current events, the existing staff is insufficient to meet the current workload; therefore, the City must seek professional assistance to meet the minimum standards and staffing levels needed.

The City received a proposal for accounting and finance support services from IntelliBridge Partners. They are a highly respected professional services firm that specializes in placing accounting, finance, human resources and information technology (IT) personnel which has seven offices in California. The City intends to contract with the firm on a temporary basis to assist the current staff in bringing the accounting functions current and in full compliance, specifically to work independently of the Audit Firm.

This Accounting Consulting Services recommendation is temporary and will terminate shortly after the accounting functions become current and at the completion of the City's audits

### **Finance Consulting Services**

The City recognizes the immediate and pressing need to adopt an annual City Budget. As presented at the Community Budget Workshop held on June 3, 2010, the preparation of a City Budget typically entails a several month process. Depending upon the size of the organization, the budget process may start three, six or nine months prior to the effective cycle. In light of the lack of sufficient staff levels and other challenges, the City must take an urgent action to ensure that the City has an adopted document as prescribed by government regulations. Therefore, it is extremely urgent to seek the services of a seasoned and experienced finance professional who can expeditiously handle the project and meet the pressing deadlines.

The interim Chief Administrative Officer conducted a market search for professional Services and support, with specific focus on the budget. As a result, the City of Bell received a proposal for professional finance services from Mr. Dave Bass. Mr. Dave Bass is a retired finance professional with over thirty years of experience in local government and other governmental agencies. He has served in various capacities such as Administrative Services Director/Treasurer, Finance Director, Acting City Manager, and City Manager among other elective boards. The Interim CAO has solicited his professional services to develop a City

Budget and other projects as directed by the Interim Chief Administrative Officer. The consultant will fill current gaps in various aspects at the financial management level.

### **Audit Services**

As of December 2010, Meyer Hoffman McCann, the City of Bell, approved audit firm, resigned and declined to finalize the 2010-2011 Comprehensive Annual Financial Report for the City and its components units. In early 2011, the City of Bell contacted several firms and invite them to submit a proposal to the City of Bell. Due to the negative publicity and perceived high risk exposure, firms declined solicitation or provided no response for the audit engagement. The City of Bell suspended the search temporarily, expecting that conditions would improve and that professional confidence would be restored. In April 2010, the City resumed the search and solicited the assistance of the California State Controller's Office to assist the City searching, vetting and developing a "short list" for the audit firm search. The State Controller provided a "Short List" of qualified auditing firms who may be interested in submitting a proposal for auditing services. The City invited over 15 firms to submit a proposal to the City of Bell, by no later than June 27, 2011. As a result, only three (3) firms actively pursued the invitation and one firm, MGO, is being recommended for selection.

After a review of the interested firms, the City has initially selected Macias, Gini, & O'Connell LLP (MGO). Founded in 1987, MGO is a statewide certified public accounting and business management firm with offices in Sacramento, Walnut Creek, Oakland, Century City, Newport Beach and San Diego and a staff of over 230 professionals.

The firm has received the following recognitions.

- One of the "Firms to Watch Beyond the Top 100" (#16, Accounting Today, 2010)
- Ranked #108 on Inside Public Accounting's Top 200 list for 2010
- One of the "Top Firms in the West" (#19, Accounting Today, 2010)
- 2010 Size Rankings:
  - 11th Largest Accounting Firm in the East Bay (San Francisco Business Times)
  - 31st Largest Accounting Firm in LA County (Los Angeles Business Journal)
  - 34th Largest Accounting Firm in Greater Bay Area (San Francisco Business Times)
  - 10th Largest Accounting Firm in Sacramento (Sacramento Business Journal)
  - Included on Inc. magazine's listing of the 5000 fastest-growing private companies in the nation, the "Inc 5000"
  - Ranked #22 in the nation by the California Society of Certified Public Accountants for "dedication and commitment to the profession" in terms of number of CalCPA members (2008)
  - Named the 29th Fastest-Growing CPA Firm in the Nation by Public Accounting Report (2007)

The City is hoping that MGO performs the City's audits commencing with the fiscal year 2009-2010. The City is requiring the following audits:

1. City of Bell
2. Bell Community Redevelopment Agency
3. Bell Community Housing Authority
4. Single Audit
5. Any other recommended audit based on the current financial review needs.

**RECOMMENDATION:**

It is recommended that the City Council consider and approve the staff recommendations, to address the issues identified during various compliance reviews in order to attain fiscal transparency and financial reporting compliance.

At the option of the City, the audit engagement may be extended for subsequent years, not to exceed two fiscal years by written amendment. These audits are to be performed in accordance with generally accepted auditing standards, the standards set forth for financial and compliance audits in the U.S. General Accounting Office's (GAO) Standards for Audit of Governmental Organizations, Programs, Activities, and Functions, the provisions of the Single Audit Act of 1984, as amended in 1996, U.S. Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments and Governmental Accounting Standards Board (GASB) Pronouncements.

The request for proposal should consider audits of the following:

***City of Bell***

***Bell Community Redevelopment Agency***

***Bell Community Housing Authority***

***Single Audit***

***Management Practices Review of Municipal Management Services***

There is no expressed or implied obligation of the City of Bell to reimburse responding firms for any expenses incurred in preparing proposals in response to this request. Materials submitted by respondents are subject to public inspection under the California Public Records Act (Government Code Sec. 6250 et seq.). Any language purporting to

render the entire proposal confidential or proprietary will be ineffective and will be disqualified.

This written notification, serves as augmentation to the already exhaustive search and communication to over 30 firms that have been asked to submit proposals to the City of Bell. The purpose of this written communication is to encourage all firms previously contacted to submit a proposal for consideration, as soon as possible. The City of Bell intends to make a selection, soon.

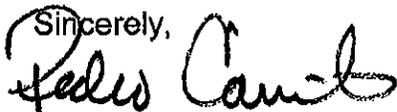

During the evaluation process, the City of Bell reserves the right, where it may serve the City of Bell's best interest, to request additional information or clarifications from proposers, or to allow corrections of errors or omissions. At the discretion of the City of Bell, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

The City of Bell reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for proposals, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the City of Bell and the firm selected.

The City is requesting one (1) original and one (1) electronic version on disk or CD to be submitted to City Clerk, 6330 Pine Ave., Bell, CA 90201. It is anticipated, the selection of a firm will be completed by June 27, 2011. The request for proposal should consider audits of the following:

**City of Bell**

**Bell Community Housing Authority**

**Single Audit**

**Management Practices Review of Municipal Management Services**

There is no expressed or implied obligation of the City of Bell to reimburse responding firms for any expenses incurred in preparing proposals in response to this request. **RE: CITY OF BELL-ANNUAL BUDGET, FISCAL YEAR 2011-2012**

Dear Ms. Watanabe:

As you are aware, pursuant to Government Code Section 53901, unless exempted by the county auditor, municipalities are required to file a copy of their annual budget within 60 days after the beginning of the fiscal year.

Pursuant to Section 1100 of the City of Bell ("City") Charter, the City's fiscal year commences on July 1<sup>st</sup> of each year, and therefore in accordance with Government Code Section 53901, the City's budget would be due to your office by August 30, 2011.

However, given the City's current fiscal constraints, and the difficult financial decisions that must be made by the City, the City is still in the process of completing its budget for fiscal year 2011-2012. We anticipate that the budget will be adopted on or before September 30, 2011.

Due to these extenuating circumstances, the City would respectfully request that your office permit the City to submit its fiscal year 2011-2012 budget within seven days of adoption by the City Council.

We appreciate your consideration during these trying financial times. I look forward to your prompt response.

# City of Bell Agenda Report

---

DATE: July 13, 2011  
TO: Mayor and Member of the City Council  
FROM: Pedro Carrillo, Interim Chief Administrative Officer  
BY: Lourdes Garcia, Director of Administrative Services  
SUBJECT: Consideration of Approval of Certificate of Consent to Transfer, Assumption & Release

## BACKGROUND

The City of Bell issued General Obligations Bonds in the amount of \$35,000,000 Series 2007. As of the issuance, payments of the principal and interest on the Bonds were insured by a financial guarantee insurance policy issued with CIFG Assurance North America, Inc.

In January 2009, after experiencing financial difficulties and bond downgrading, CIFG Assurance North America, Inc. ("CIFG") entered into a reinsurance transaction whereby Assured Guarantee Corp. ("AGC") provides reinsurance to CIFG with respect to certain U.S. public finance and infrastructure policies. The transacting parties agreed that they would use commercially reasonable efforts to novate the covered policies. The novation transaction means that AGC assumes responsibility of the policies previously insured by CIFG and the affected policies will transfer to AGC upon the executed consent to transfer such policy.

Novation provides bondholders the direct protection of AGC's assets. Beyond the security of the reinsurance deal, novation would provide a boost for CIFG policyholders covered under the agreement. It is unclear how rating agencies will rate CIFG-backed bonds reinsured by AGC, but once the policies are novated, the policyholders would have direct AGC insurance and thus receive a triple-A rating from Standard & Poor's and Fitch Ratings and the Aa2 rating from Moody's.

The novation is being implemented in two phases. In the first phase, consents are being solicited for bonds insured in the primary market. Bonds insured in CIFG's secondary market custodial receipt program will be solicited in the second phase.

The City's GOB insurance policy falls within the first phase. The City received a request for consent to the novation. As a condition to the novation, the issuer (City) or the trustee must complete and return to CIFG a **Certificate of Consent to the Novation**. The offer to novate the policy will be open through July 15, 2011. Therefore, each certificate of consent must be returned by July 15, 2011.

## **RECOMMENDATION**

It is recommended that the City executes the Certificate of Consent to Transfer, Assumption and Release to provide reassurance to GOB 2007 bondholders for the financial guarantee insurance policy backed by a highly-rated financial entity.

## **Answers to Questions about the Novation of CIFG Assurance North America, Inc. Bond Insurance Policies to Assured Guaranty Corp.**

*In January 2009, CIFG Assurance North America, Inc. ("CIFG") and Assured Guaranty Corp. ("AGC") entered into a reinsurance transaction whereby AGC provides reinsurance to CIFG with respect to certain U.S. public finance and infrastructure policies (the "covered policies"). CIFG and AGC also agreed that they would use commercially reasonable efforts to novate the covered policies to AGC. CIFG has begun sending requests to the issuers of insured obligations (or to the applicable trustee of the bondholders) seeking consents for the novation of the covered policies.*

*The novation is being implemented in two phases. In the first phase, consents are being solicited for bonds insured in the primary market. Bonds insured in CIFG's secondary market custodial receipt program will be solicited in the second phase. To the extent regulatory filings or approvals are required in connection with the novation of any policy, requests for consent will only be sent after any applicable waiting periods have elapsed or any required approvals have been obtained.*

### **What are the benefits of novation?**

Novation gives bondholders the direct protection of AGC's claims-paying resources. Once a policy has been novated, AGC will request, and expects to obtain, an AGC insured rating from S&P, Moody's or both, depending on which originally provided a CIFG insured rating for the related bonds. Although AGC already provides 100% reinsurance for the covered policies and administers the policies on behalf of CIFG, CIFG remains the insurer until the policies are novated, and the bondholder remains subject to credit risk of CIFG.

### **As a bondholder, do I need to take any action for the bond insurance policies to be novated?**

In general, bondholders are not being asked to take any action at this time. If there is a trustee for an issue insured by CIFG at origination, the trustee has been asked to execute a consent to the novation. If there is no trustee (as is true for many general obligations that utilize a paying agent), then the issuer has been asked to execute such consent. If an insurance policy was written by CIFG after the bonds began trading in the secondary market, the custodian bank holding the custodial receipt that associates the policy with the insured bonds will be asked to execute the consent. Bondholders may be contacted directly by the applicable trustee, issuer or custodian bank as part of the consent process.

The offer to novate a particular policy will be open through July 15, 2011 unless such date is extended or the solicitation is earlier terminated at the sole discretion of CIFG and AGC.

**Bondholders should contact the trustee, issuer or custodian to inquire about the status of the request and whether any action has been taken.** Bondholders are also encouraged to send their contact information, together with the name of the issuer, CUSIP number, original par,

series and other identifying information concerning the insured bonds, to CIFG at [novationteam@cifg.com](mailto:novationteam@cifg.com) in order to facilitate the novation process.

**How will I know if the insurance policy has been novated?**

Novated policies will be identified in a list of covered policies maintained on the Assured Guaranty website at [www.assuredguaranty.com/novation](http://www.assuredguaranty.com/novation). Additionally, once S&P and Moody's have issued new insured ratings for a given issue, those ratings should be reflected on data services such as Bloomberg.

**What happens to the insurance policy when novation takes place?**

All of the terms and conditions of the policy will remain unchanged, except that AGC will be the insurer in full substitution for CIFG and, because of that substitution, AGC will have all of the rights and obligations of CIFG under the policy and related documents and CIFG will be fully released of its obligations under the terms of the policy. The consent form signed by AGC and the issuer, trustee or custodian, as the case may be, and a notice of effective date issued by AGC following receipt of the signed consent form, will become part of the policy.

**Will all the bond insurance policies be novated at the same time?**

No. Except as described below, the effective date for each policy's novation is the date on which CIFG receives an executed consent form for that policy.

**If CIFG issued a debt service reserve fund surety bond or a swap insurance policy in connection with my CIFG-insured bonds, will that be novated, too?**

Separate consent requests are being sent to issuers, trustees or swap counterparties, as appropriate, for each debt service reserve fund surety bond and swap insurance policy. In cases where a debt service reserve fund surety bond or a swap insurance policy was issued in connection with a bond insurance policy or policies, CIFG must receive the executed consent forms for each bond insurance policy, debt service reserve fund surety bond and swap insurance policy, as applicable, before the novation of such policies and surety bond shall become effective. (Where there is no debt service reserve fund surety bond or swap insurance policy, multiple bond insurance policies issued in connection with a single bond transaction may be novated independently.)

**Will Xenia, Iowa, Rural Water District 2006 Revenue Bonds be novated?**

The \$83.3 million of Xenia, Iowa, Rural Water District 2006 revenue bonds are subject to litigation brought by CIFG against AGC to determine whether the CIFG policy insuring these bonds is covered under the reinsurance agreement between CIFG and AGC. The Xenia policy, therefore, may or may not be subject to novation to AGC, depending on the resolution of this litigation. Of the more than 1,300 covered policies, the Xenia transaction is the only one that is subject to a dispute. The Xenia transaction is not currently in the process of being novated.

## Press Release

### CIFG Launches Process to Novate CIFG-Insured Portfolio to Assured Guaranty Corp.

New York, New York, April 20, 2011 – Bond insurance companies CIFG Assurance North America, Inc. (“CIFG”) and Assured Guaranty Corp. (“AGC”) jointly announced that they have begun soliciting consents for the transfer through novation of the bond insurance policies insuring U.S. municipal and infrastructure bonds that are currently guaranteed by CIFG and reinsured by AGC. The launch implements the process contemplated by the January 2009 reinsurance transaction under which AGC provides reinsurance and administrative services for these CIFG-insured bonds. The novation, if successful, will provide bondholders with AGC’s direct guaranty of their bonds. Once a policy has been novated, AGC will request, and expects to obtain, an AGC insured rating from S&P, Moody’s or both, depending on which originally provided a CIFG insured rating for the related bonds.

The novation is being implemented in two phases. In the first phase, consents are being solicited for bonds insured in the primary market. Bonds insured in CIFG’s secondary market custodial receipt program will be solicited in the second phase. To the extent regulatory filings or approvals are required in connection with the novation of any policy, requests for consent will only be sent after any applicable waiting periods have elapsed or any required approvals have been obtained.

In connection with the primary market novation process, CIFG is sending to each trustee on behalf of the bondholders (or, if there is no trustee, to the issuer of the bonds) a request for consent to the novation. As a condition to the novation, the issuer or the trustee, as the case may be, must complete and return to CIFG a certificate of consent to the novation. The offer to novate a particular policy will be open through July 15, 2011. Therefore, each certificate of consent must be returned by the issuer or trustee by July 15, 2011, unless such date is extended or the offer is earlier terminated at the sole discretion of CIFG and AGC. In connection with the novation process for bonds insured in CIFG’s secondary market custodial receipt program, CIFG will be sending requests for consents to the custodian.

**PLEASE NOTE: Holders of bonds insured by CIFG are not currently being asked to directly consent to the novation of the policy insuring their bonds. The applicable issuer or trustee may contact bondholders directly. If an issuer or trustee has not received a request that such issuer or trustee believed should have been received, such issuer or trustee should write to [novationteam@cifg.com](mailto:novationteam@cifg.com) and include contact information, together with CUSIP number, original par and series.**

Holders of bonds insured by CIFG who wish to determine the status of the novation of the policy insuring a particular bond are encouraged to contact the issuer or the applicable trustee for their bonds. Bondholders are also encouraged to send their contact information, together with the name of the issuer, CUSIP number, original par, series and other identifying information concerning the insured bonds, to CIFG at [novationteam@cifg.com](mailto:novationteam@cifg.com) in order to facilitate the novation process.

Once CIFG receives the required certificate of consent for a given policy, AGC will become the insurer of the bond in full substitution for CIFG, CIFG will be released from its obligations under the policy and related documents, and AGC will have all of the original rights and obligations of CIFG under the policy and related documents. If CIFG issued one or more related policies (such as guaranties of debt service reserve fund obligations, interest rate swaps and/or liquidity facilities) in connection with a policy, the date on which CIFG

receives signed consents for both the policy and all such related policies will be the effective date of the transfer and assumption of such policy. No other terms of the policy will change, and holders of the bonds will have the direct benefit of AGC's claims-paying resources.

Novated policies will be identified in a list on the Assured Guaranty website at [www.assuredguaranty.com/novation](http://www.assuredguaranty.com/novation).

If the certificate of consent is not returned to CIFG with respect to a particular issue, those bonds may remain direct guaranteed obligations of CIFG. AGC will continue to administer any such policies on behalf of CIFG.

SUBJECT: Treasurer's Report Information Guide

Generally, a local agency requires its treasurers and/or chief fiscal officers to submit a quarterly report to the governing board of the local agency.

## **PURPOSE**

The requirements are intended to provide the governing body the ability to meet its fiduciary obligations as a trustee and to provide information of the agency's investment activities to external users.

## **REPORTING REQUIREMENTS**

- Prior to the 2004-2005 Budget Act, California Government Code (CGC) Section 53646(b) required California local governments, with certain exceptions, to submit a quarterly investment report to the agency's legislative body, its chief executive officer, and its internal auditor within 30 days following the end of the quarter covered by the report.
- CGC Section 53646(d) also provided that a legislative body of a local agency might elect to receive the report on a monthly basis.

## **REQUIRED CONTENTS OF INVESTMENT REPORTS**

  - Type of investment
  - The issuer's name
  - The date of maturity of the security
  - The par amount of the instrument
  - The market value
  - The dollar amount invested in each security
  - The source of the market value
  - Cite funds under management of external investment providers
  - State compliance with the agency's investment policy
  - Statement regarding the agency's ability to meet its cash flow needs for the next six months

## **ADDITIONAL REPORTING PRACTICES**

Besides the legally required information, the California Debt and Investment Advisory Commission (CDIAC) provide a list of practices that local agencies may adopt to present to their legislative bodies in the content of an investment report. Some of those items are:

- Distribution by Sector
- Distribution by Manager Type
- Distribution by Credit Quality
- Distribution by Maturity
- Distribution by Issuer
- Using Benchmarking to Evaluate Performance
- Annual Weighted Average Maturity and Yield Trends
- Cash Flow Projections

# City of Bell Agenda Report

Date: June 22, 2011

To: Mayor and Members of the City Council

From: Pedro Carrillo  
Interim Chief Administrative Officer

**Subject: Consideration of Contract for City Attorney Services with Aleshire & Wynder, LLP**

---

## **SUMMARY**

As you know, the City of Bell, received 8 responses on May 20, 2011 (one response was a formal recusal from Burke, Williams & Sorensen, LLP), certified by the City Clerk, for the purpose of official response and consideration to be City Attorney for the City of Bell, CA.

Using the methodology established in the RFP and relayed to all respondents, we (The ICAO, Mayor Saleh, Council member Ana Maria Quintana) preliminarily reviewed the proposals and determined that although all respondents have enough expertise to represent the City of Bell, only 3 proposals best match the needs of the City of Bell.

The background, methodology, scoring, findings and recommendations were presented in closed session to the entire City Council of the City of Bell at the special meeting of June 06, 2011.

## **BACKGROUND**

The City of Bell City Council directed staff to draft, authorize and issue a Request for Proposal (RFP) for the purpose of identifying firms or individuals that could service the City of Bell in the capacity of City Attorney ("**RFP-City Attorney RFP**"). The Ad Hoc Committee was tasked to review, analyze, report findings and provide recommendations to the City of Bell City Council, on the selection of the best-suited City Attorney for the City of Bell.

## **METHODOLOGY**

The Ad Hoc Committee reviewed and compiled all 7 respondent's pertinent data into a comparison matrix. The comparison matrix allowed three reviewers to visually compare, review, analyze, and score each applicant's capabilities. This tool was used to complete an Evaluation Matrix that was created to grade each applicant, establishing an

equal basis of comparison. The evaluation was based on a 100 point (maximum) format. The 100 points system was the weighted average total of the following 6 criteria points:

Criteria	Description	Point Allocations
o 1	Qualifications, Related Local Experience	20
o 2	Project Organization and Proposed Team	15
o 3	Proposed/Technical Approach	20
o 4	Cost and Economic Feasibility	25
o 5	Risk Factors/Conflict of Interest	10
o 6	Past Performance/References	10
<b>Total points (maximum)</b>		<b>100</b>

**PRELIMINARY FINDINGS**

The Ad Hoc committee reviewed **all seven** timely submitted proposals. The scoring of the evaluation matrix for each respondent was presented to the City of Bell City Council during a special meeting of June 06, 2011. Our preliminary findings were as follows, (in ranking order):

Rank	Respondent	Score
1	Green, de Bortnowsky & Quintanilla, LLP	Not Disclosed
2	Law Offices of Jimmy L. Gutierrez	Not Disclosed
3	Aleshire & Wynder, LLP	Not Disclosed

Furthermore, the City of Bell City Council selected Aleshire & Wynder, LLP as the consideration for City Attorney and directed the iCAO to follow RFP direction, previously published.

Additionally, the Ad Hoc Committee directed the iCAO to follow up with reference checks, a full review of the proposed contract and the appropriate conflicts checks.

Fourteen current Aleshire & Wynder clients were called (June 08, 2011), e-mailed and sent, via USPS (June 13, 2011), a 10 question reference Check List.

Finally, changes were made to the original Aleshire & Wynder contract proposal, currently before you for consideration.

# **Proposed Contract**

**CONTRACT SERVICES AGREEMENT FOR  
CITY ATTORNEY SERVICES  
CITY OF BELL**

This CONTRACT SERVICES AGREEMENT FOR CITY ATTORNEY SERVICES (the "Agreement") is effective as of the \_\_\_ day of \_\_\_, 2011, by and between the law firm of ALESHIRE & WYNDER, LLP, a California limited liability partnership ("A&W"), and the CITY OF BELL, a charter city ("City"). The term "City" shall also include the Bell Community Redevelopment Agency, the Bell Community Housing Authority, the Bell Public Financing Authority, the Bell Surplus Property Authority, the Bell Solid Waste Authority, and all other City boards and commissions.

**1. APPOINTMENT**

City Council hereby appoints David J. Aleshire as the City Attorney, and hires A&W as its City Attorney, to render such legal services as are customarily rendered by such officials and as further specified herein, including attending meetings of the City Council, Planning Commission, Bell Community Redevelopment Agency ("Redevelopment Agency"), Bell Community Housing Authority ("Housing Authority"), Bell Public Financing Authority ("Public Financing Authority"), Bell Surplus Property Authority ("Surplus Property Authority"), Bell Solid Waste Authority ("Solid Waste Authority"), all other City boards and commissions and its affiliated agencies, as directed by the City, in accordance with Section 703 of the City's Charter and Chapter 2.16 of the City's Municipal code. In addition, Edward Bertrand shall serve as Assistant City Attorney and David J. Aleshire shall serve as Agency Counsel.

Notwithstanding the foregoing appointment, the designated City Attorney, Agency Counsel, and any Assistant City Attorney or Assistant Agency Counsel, may be established from time to time or modified by resolution of the City Council. A&W represents that it employs, or will employ at its own expense, all personnel required for the satisfactory performance of any and all tasks and services set forth herein. A&W shall not replace the designated City Attorney or Agency Counsel (or any successors to such person) without the City Council's prior approval, except from time to time necessary due to illness or vacation scheduling. Approval of any such temporary substitute, or of any Assistant City Attorney or Assistant Redevelopment Attorney shall be obtained from the Chief Administrative Officer. City Attorney may appoint various deputies as City Attorney deems appropriate, without the need for amendment hereof.

**2. SCOPE OF WORK AND DUTIES**

A. A&W shall perform any and all work necessary for the provision of City Attorney services to City, as set forth in the City's Charter and Municipal Code, including, but not limited to, the following:

(i) Attendance at City Council, Planning Commission, or Redevelopment Agency, Housing Authority, Public Financing Authority, Surplus Property Authority, and Solid Waste Authority meetings, unless excused by the Chief Administrative Officer or his/her designee, and other board and commission meetings on request of the Chief Administrative Officer or his/her designee; and

(ii) Provide legal advice, written legal opinions, and consultation on all matters affecting the City to the City Council, Chief Administrative Officer, boards, commissions, committees, officers, and employees of City and as requested by the City Council, the Chief Administrative Officer, or his/her designee, in accordance with such policies and procedures as may be established by City from time to time; and

(iii) Be available for telephone consultation with City staff, as needed on legal matters which are within their area of operation; and

(iv) Prepare or review necessary legal documents such as: ordinances, and resolutions; all agreements of any nature; all real property instruments of any nature including purchase agreements and escrows, leases, covenants, deeds, easements and licenses; bond size, amount, and offering terms and conditions; public works construction documents including bid specifications, contracts, bonds, insurance, liens and related documents; memorandum of understanding; franchise agreements; and all similar documents; and

(v) Represent and advise City on pending and potential litigation; notwithstanding the foregoing, it is expressly understood that A&W shall not be responsible for any pending litigation matter(s) handled by attorneys previously or otherwise employed by the City until all files have been transferred to A&W and A&W has specifically appeared in the matter(s) as attorneys of record on behalf of City; and

(vi) Hold office hours at City Hall at a time agreed to with Chief Administrative Officer; and

(vii) Attend management staff and agenda review meetings at a time agreed to with Chief Administrative Officer; and

(viii) Monitor pending and current legislation and case law as appropriate; and

(ix) Supervise outside legal services, if any.

B. A&W, as a full-service law firm, is prepared to, and will, provide representation to City in all of its legal affairs, including, but not limited to, municipal law, land use, environmental, toxics, mining, water, tort defense, personnel, labor representation, code enforcement, criminal prosecution, redevelopment, housing, cable television, finance, franchising, contracts, enterprise and other matters, except where conflicts exist or where the City Council may otherwise direct. The City Attorney shall represent City in all of the foregoing legal matters, and in initiating and defending all litigation unless otherwise directed by the City Council.

C. The City Attorney will keep City informed as to the progress and status of all pending matters in accordance with such procedures as the City may establish from time to time. The City Attorney is expected to manage, control and oversee the delivery of legal services in a competent, professional, and cost-effective manner. All legal services shall be properly supervised and all personnel shall be qualified to handle the work assigned. If outside special counsel is retained, unless otherwise directed by the City Council, such special counsel shall be supervised by the City Attorney.

D. All legal services shall be coordinated under the direction of the Chief Administrative Officer. Notwithstanding any other provision contained herein, any legal services can only be authorized by the City Council or Chief Administrative Officer. Nothing in this Agreement shall be construed in any manner as limiting the ultimate and absolute discretion of the City Council, at any time, to assign or reassign legal matter of City from or to A&W.

### 3. CITY DUTIES

City agrees to provide such information, assistance, cooperation, and access to books, records, and other information, as is necessary for A&W to effectively render its professional services under this Agreement. To the extent City desires services to be rendered on site, City, at City's expense, will make available sufficient office space, furniture, telephones, computers, facsimile machines, and secretarial support, as approved by the Chief Administrative Officer, as may be necessary therefor. City further agrees to abide by this Agreement, and to timely pay A&W's bills for fees, costs, and expenses. In addition, City understands that the fee structure herein represents a blending of rates, with certain services offered at discounted rates, on the assumption that, due to the volume of work, other services will be rendered at higher rates. However, nothing in this Section, or any other part of this Agreement, shall be construed in any manner as limiting the ultimate and absolute discretion of the City Council, at any time, to assign or reassign legal matters of City from or to A&W.

### 4. PERSONNEL

In addition to David J. Aleshire acting as City Attorney, A&W will provide the following additional attorneys to render the predominate legal services hereunder:

David J. Aleshire:	Agency Counsel
Edward L. Bertrand:	Assistant City Attorney
Mily Huntley:	Deputy City Attorney
Colin Tanner:	Deputy City Attorney/Personnel
Sunny Soltani:	Deputy City Attorney/Litigation/Mobilehome Parks
Glen Tucker:	Deputy City Attorney/Police and Defense

Assignments may be modified as provided in Section 1 above and except as so provided, A&W will exercise its discretion to utilize whichever attorney(s) (and staff) it determines to be best suited to its rendition of legal services under this Agreement, consistent with the competent and efficient rendering of legal services, and with a view toward rendering such services in an economically efficient manner.

### 5. COMPENSATION

A&W's fees will be charged on an hourly basis for all time actually expended. The compensation schedules are set forth in Exhibits "A" and "B" attached hereto and incorporated herein by this reference. Blended rates are computed based upon the hours of service irrespective of the rate of the attorney. Blended rates are also shown for legal assistants.

In general, the arrangement is that there is a base amount of hours which are significantly discounted and referred to as the general retainer hours. This includes general services, attending

public meetings, preparing ordinances and resolutions, giving general advice to City departments and similar services. A higher blended rate is charged after the retainer hours are exceeded. Special services, including a broad range of categories (litigation, personnel, labor, redevelopment, housing, toxics, refuse, cable, enterprise, etc.), which would otherwise be likely to be contracted out as special services at higher rates, are billed at a higher blended rate. Public finance matters are charged on a contingent basis based upon the size of the matter. The specific terms are set forth below in Section 6 and in the exhibits.

The foregoing arrangement would remain in effect for Fiscal Year 2011-2012 (July 1, 2012). However, the hourly rates of the attorneys at A&W are reviewed annually and, when appropriate, adjusted to reflect increases in expertise as well as other appropriate factors. Such increases are made on an annual basis, effective as of the beginning of each calendar year, subject to the approval of the City Council. While the hourly rates for services rendered by individual A&W attorneys may be adjusted as set forth herein, the "blended rates" established in this Agreement shall not be adjusted except as provided here, and only upon the approval of the City Council.

## **6. BOND OR FINANCIAL SERVICES**

Bond or Financial Services shall mean those situations where A&W acts as Bond Counsel for City with regard to the issuance of securities by City; after review and accord of the proposed issue by independent review Counsel if selected by City, A&W shall be compensated for Bond or Financial Services on a flat fee non-contingent basis of Four Hundred Dollars (\$400.00) per hour or on a contingent finance option as shown on Exhibit "A". The choice of options shall be solely at the discretion of the City Council.

## **7. COSTS AND OTHER CHARGES**

A&W may incur various costs and expenses in rendering the legal services required by this Agreement which, if customary and necessary for the performance of legal services hereunder, shall be reimbursable by City. These costs and expenses are described in more detail in Exhibit "B", attached hereto, and incorporated herein by reference. City agrees to reimburse A&W for these costs and expenses in addition to the hourly fees for legal services. Reimbursable costs shall not include any overhead or administrative charge by A&W or A&W's cost of equipment or supplies except as provided herein.

A&W may determine it necessary or appropriate to use one or more outside investigators, consultants, or experts in rendering the legal services required (particularly if a matter goes into litigation). City will be responsible for paying such fees and charges. A&W will not, however, retain the services of any outside investigators, consultants, or experts without the prior written agreement of City. A&W will select any investigators, consultants, or experts to be hired only after consultation with and approval by the City.

The cost and expenses referred to herein include certain travel expenses; transportation, meals, and lodging; when incurred on behalf of the client. Except in connection with litigation (travel costs to court and for discovery are chargeable), these will only be charged when outside the counties of Los Angeles and Orange, and only with the prior agreement of City.

Periodically, when on-site, A&W personnel may be required to make local and long-distance telephone calls, or make photocopies, or incur other expenses on behalf of the City . A&W will not be charged for such expenses and, in exchange, will not charge the City for calls made from our office or other locations to the City.

A&W shall scrupulously examine all bills submitted for services tendered under this Agreement to assure that appropriate billing judgment is employed in billing City for service hereunder. A&W shall not bill for hours other than those hours expressly devoted to the tasks approved in advance by the City. A&W agrees it will not bill for time which is not specifically devoted to said task(s). A&W shall not use legal professionals for secretarial work and under no circumstances shall A&W have lawyers billing for making copies, scheduling appointments or taking care of matters or work which would otherwise be work performed by a secretary. The billing format utilized to provide bills shall be set forth in the required detailed format which readily permits the full scrutiny by any City retained auditors.

**8. STATEMENTS AND PAYMENT**

A&W shall render to City a statement for fees, costs, and expenses incurred on a monthly basis. Such statement(s) shall indicate the basis of the fees, including the hours worked, the hourly rate(s), and a specific description of the work performed. Separate billing categories can be established to track costs associated with City funding categories or to track project costs, or such other basis as the City may direct. Reimbursable costs shall be separately itemized.

In consideration for A&W's performance of legal services on behalf of City under the terms of this Agreement, and upon review and approval of A&W's bill by the City, A&W shall be compensated at the preapproved hourly rates and for authorized expenses as set forth in Exhibit B. Payments shall be made by City within thirty (30) days of receipt of the statement, except for those specific items on an invoice which are contested or questioned and are returned by City with a written explanation of the question or contest, within thirty (30) days of receipt of the invoice.

The bill shall be submitted to:

City of Bell  
Attn: Chief Administrative Officer  
6330 Pine Avenue  
Bell, CA 90201

**9. PROHIBITION AGAINST SUBCONTRACTING OR ASSIGNMENT**

The experience, knowledge, capability and reputation of A&W, its partners, associates, and employees, was a substantial inducement for City to enter into this Agreement. Therefore, A&W shall not contract with any other person or entity to perform, in whole or in part, the legal services required under this Agreement without the written approval of City. In addition, neither this Agreement, nor any interest herein, may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily, or by operation of law, whether for the benefit of creditors, or otherwise, without the prior written approval of City. Adding attorneys to A&W, changes in the partnership, name changes and similar changes shall not be deemed a transfer or assignment requiring approval of City or amendment hereof.

**10. INDEPENDENT CONTRACTOR**

A&W shall perform all legal services required under this Agreement as an independent contractor of City, and shall remain, at all times as to City, a wholly independent contractor with only such obligations as are required under this Agreement. Neither A&W nor any employees or agents of A&W shall be considered an employee of City for any purpose. Neither City, nor any of its employees, shall have any control over the manner, mode, or means by which A&W, its agents or employees, render the legal services required under this Agreement, except as otherwise set forth. City shall have no voice in the selection, discharge, supervision or control of A&W employees, servants, representatives, or agents, or in fixing their number, compensation, or hours of service.

## 11. INSURANCE

A&W shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement, including any extension thereof, the following policies of insurance:

(b) **Workers' Compensation Insurance.** A policy of workers' compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both A&W and City against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Contractor in the course of carrying out the work or services contemplated in this Agreement, with limits of at least One Million Dollars (\$1,000,000.00) for bodily injury by disease, One Million Dollars (\$1,000,000.00) each accident/bodily injury and One Million Dollars (\$1,000,000.00) each employee bodily injury by disease.

(c) **Automobile Insurance.** A policy of comprehensive automobile liability insurance written on a per occurrence basis in an amount not less than a combined single limit liability of One Million Dollars (\$1,000,000.00). Said policy shall include coverage for owner, non-owner, leased and hired cars.

(d) **Errors and Omissions Insurance.** A policy of professional liability insurance written on a claims made basis in an amount not less than Three Million Dollars (\$3,000,000.00).

Except for the policy of professional liability insurance, all of the above policies of insurance shall be primary insurance and shall name City, its officers, employees and agents as additionally insured. Except for the policy of professional liability insurance, the insurer shall waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. Except for the policy of professional liability insurance, all of said policies of insurance shall provide that said insurance may not be amended or canceled without providing thirty (30) days prior written notice by registered mail to the City. In the event any of said policies of insurance are cancelled, A&W shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section to the City. Failure to do so is cause for termination.

## 12. INDEMNIFICATION

A. A&W agrees to indemnify City, its officers, employees and agents against, and will hold and save each of them harmless from, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the work, operations or activities of A&W, its agents, employees, subcontractors, or invitees, provided for herein or arising from the acts or omissions of A&W

hereunder, or arising from A&W's performance of or failure to perform any term, provision, covenant or condition of this Agreement.

(i)

(ii) In the event A&W, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against City for such damages or other claims solely arising out of or in connection with the work operation or activities of City hereunder, City agrees to pay to A&W, its officers, agents or employees any and all costs and expenses incurred by attorney, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

Such actions shall include, but not be limited to the following: employment, promotion, demotion, transfer, duties assignment; recruitment or recruitment advertising; layoff of termination; rates of pay or other forms of compensation; and selection for training, including

A&W has no present or contemplated employment which is adverse to the City. A&W agrees that it shall not represent clients in matters either litigation or non-litigation against the City. However, A&W may have past and present clients or may have future clients, which, from time to time, may have interests adverse to City, and A&W reserves the right to represent such clients in matters not connected with its representation of the City, upon securing a waiver from both the City and the present or future client.

If a potential conflict of interest arises in A&W's representation of two clients, if such conflict is only speculative or minor, A&W shall seek waivers from each client with regards to such representation. However, if real conflicts exist, A&W shall withdraw from representing either client in the matter, and assist them in obtaining outside special counsel.

Notwithstanding the foregoing, in view of the likelihood for the need to ramp up services, until July 1, 2012, the discounted rate shall apply to 100 hours of legal services, and until July 1, 2013, it shall apply to 75 hours of legal services. If contingent, payment of the fees is entirely contingent upon the successful execution and delivery of the bonds or notes to be payable on or after delivery except for out-of-pocket expenses. In addition to the foregoing, a fee of \$6,000.00 may be charged if a tax opinion is required. At the discretion of the City, City may choose a non-contingent structure in lieu of the above schedule at the rate of \$400.00 per hour on a blended rate for all attorney time incurred.
- (7) In addition to the foregoing, the Firm would be reimbursed for out-of-pocket expenses as described in the attached Exhibit B.

The blended rate for legal assistants (Paralegal), irrespective of matter, shall be One Hundred Twenty (\$120.00) per hour.

## EXHIBIT "B"

### STATEMENT OF BILLING PRACTICES

The Firm's fees are charged on an hourly basis for all time actually expended and shall be billed monthly with payment due within thirty (30) days after the date of the bill. However, where contract rates are established, they prevail over design rates. The current hourly design rate for the attorneys and staff working on this matter will be set forth in the billing statement. Annually, you will be provided with the prevailing hourly design rates for the attorneys who will spend the predominate amount of time on this matter. It should be understood that hourly rates are reviewed, and when appropriate, adjusted to reflect increases in seniority and experience as well as inflationary factors. These increases are generally made on an annual basis effective at the beginning of each calendar year. Any increase in rates shall be approved by the City Council.

The Firm will incur various costs and expenses in performing legal services. These costs and expenses are separately billed to the client and include fees fixed by law or assessed by public agencies, litigation costs including deposition, reporter fees, and transcript fees, long distance telephone calls, messenger and other delivery fees, postage, photocopying (charge of twenty cents (\$0.20) per page) and other reproduction costs, staff overtime when necessitated and authorized by the client, and computer-assisted research fees when authorized by the client, all based on the actual and reasonable cost (mileage, reproduction and other costs are periodically adjusted in accordance with the Firm's actual costs).

Travel costs including mileage (current IRS rate), parking, airfare, lodging, meals, and incidentals are charged in connection with administrative or judicial proceedings, or when traveling outside of Los Angeles or Orange Counties. Travel time may also be charged in connection with such proceedings. In addition, the client will be responsible for paying the fees of consultants and other outside experts who are retained after consultation with the client.

It is understood that Firm will not charge for mileage or travel time between our office and City facilities, nor for local telephone calls or calls made to the City. In exchange, Firm shall not be charged for calls made or received at the City on behalf of the City, whether local or long-distance, or for copying charges since copying onsite will reduce the charge to the client.

The monthly billing statements for fees and costs shall indicate the basis of the fees, including a detailed and auditable breakdown of the hours worked, the billable rates charged and description of the work performed. All bills are expected to be paid within thirty (30) days of the date of the billing statement.

Registration fees for attorneys attending conferences and seminars are paid by the Firm and are never charged to the City (unless expressly requested by the City).

Dear Mr. Aleshire:

As a follow-up to our meeting earlier this week regarding the transition of attorney services from Meyers Nave to your firm, I discussed the issue of your possible legal conflict(s) with the members of the Bell Legal Selection Ad Hoc Committee.

Based on that discussion, by the close of business on Monday, June 20, 2011, please provide me a description of the scope of services that your Firm provided or continues to provide to any person or entity that was or may be adverse to the City of Bell or any of its subsidiary bodies. As you will recall, we discussed the legal services that you provided All Saleh with regard to his active participation in the Attorney General's lawsuit against the City as well as your representation of BASTA in the recall effort against former members of the Bell City Council.

Please note that your reply to the City's Request for Proposal for City Attorney Services stated that your Firm had no conflicts with the City of Bell. Given what was learned on Monday, it appears to me that you may need to revise that statement.

If you have any questions, please feel free to call me. I look forward to receiving your exhaustive disclosure and to working with you.

Very truly yours,

# City of Bell Agenda Report

DATE: July 13, 2011

TO: Mayor and Members of the City Council

FROM: Pedro Carrillo, Interim Chief Administrative Officer

SUBJECT: DISCUSSION AND CONSIDERATION OF TRANSPORTATION/PARA-TRANSIT SERVICES WITH THE OLDTIMERS FOUNDATION

## DISCUSSION

As you already know, in order for the City of Bell to comply with its reimbursement for transit services obligations, the Council needed to consider and affirm a contract with the Oldtimers Foundation (“OTF”) for para-transit services.

The contract provides for the purchase of three (3) motor vehicles to be used for transporting Bell residents as a part of the City’s Dial-A-Ride services. The City contributed \$90,000 from a Metropolitan Transportation Authority grant and the OTF contributed \$62,215.94. The City retained ownership and title for the three vehicles.

Resolution 2011-08 affirmed the contract and directed the Interim Chief Administrative Officer to terminate the June 29, 2010, agreement with the OTF and as documented in the State Controllars Audit, with regard to sole sourcing and the lack of best practices with the previous administration. In order to ensure compliance with the Charter, under the Council’s action through Resolution 2011-08, the ICAO was directed to prepare and issue a Request for Proposals (“RFP”) for Para Transit services.

Immediately after the City Council directive, as authorized through Resolution 2011-08, Mayor Ali Saleh ordered an extensive review of the information that the City of Bell residents provided, specific to accusations that the OTF had not repaid loans issued from the City of Bell to the OTF and that the City of Bell had provided several thousands of dollars of public funds to the OTF.

After several weeks of consulting with the Metropolitan Transit Authority (“METRO”), the City of Bell Finance Department, the City Attorney’s office and the Bell City Clerk’s office, it was determined that the OTF had received a loan and had re-paid the City of Bell “in full.” Additionally, the Interim Administration affirmed, through METRO, that the City of Bell only served as a “pass-through” for the METRO City of Bell Vehicle Replacement Project. Further, it was discovered that the practice was not uncommon and that the METRO Board had fully authorized the City of Bell and the OTF to enter into the agreement.

The City of Bell issued a letter on May 17, 2011 advising the OTF of the City of Bell's action and intent to terminate all contracts with the OTF.

On June 24, 2011 the City of Bell as well as the Interim Chief Administrative Officer's personal cell phone received approximately 40 phone calls from irate constituents, blaming the City of Bell for discontinuing their services. As a result, the Interim Chief Administrative Officer, forestalled distribution of the RFP to address the concerns and to provide for a smooth transition to an alternative transportation service for the City of Bell.

The action of June 24, 2011 prompted a telephone call with Ms. Irene Muro, OTF's Interim Executive Director. As documented in the attachments, this action prompted several communications that ended in making certain that the City of Bell and the OTF either agree to a "month to month" until such a date that the City Council selects an option via the RFP process or that the City Council immediately direct the Interim CAO to vet all regional options and consult with METRO and the proper authorities to begin an alternative program and a smooth transition.

#### FISCAL IMPACT:

The City may realize economic savings by awarding a competitively bid contract to the lowest responsible bidder. In addition, the savings may allow the City of Bell an opportunity to better utilize Proposition A funding and comply with grant guidelines (best practices).

#### RECOMMENDATION:

The Interim Administration is recommending that the City Council discuss the current transportation situation and provide direction to the iCAO to either proceed with the OTF on a "month to month" basis until such a date that the City Council selects an option via the RFP process or that the City Council immediately direct the Interim CAO to vet all regional options and consult with METRO and the proper authorities to begin an alternative program and a smooth transition without jeopardizing Proposition A funding.

**RE: TERMINATION OF ALL CONTRACTS WITH THE OLDTIMERS FOUNDATION**

Dear Ms. Muro:

The termination of all agreements with the Oldtimers Foundation shall be effective as of July 1, 2011 at 12:01 a.m.

**WHEREAS**, the City of Bell ("City" or "Bell") on March 13, 1996, entered into a contract with the Oldtimers Foundation, a non-profit public benefit corporation ("OTF") for para-transit services; and

**WHEREAS**, over the past 15 years, the City and the OTF have apparently entered into various addenda and other agreements for para-transit services related to the 1996 agreement and for other services, including Community Development Block Grant Technical Assistance and Programmatic Compliance and Reporting Services; and

**WHEREAS**, on June 29, 2010, the City and the OTF evidently entered into a Joint Purchase Agreement for the provision of three (3) motor vehicles from Creative Bus Sales for the purpose of having the OTF provide Bell residents with Dial a Ride service. Under that agreement the total purchase price for the vehicles was \$152,215.94. ### RE: OFFICIAL NOTICE TO DISCONTINUE SERVICES

Dear Ms. Muro:

This letter memorializes our conversation on Friday June 24, 2011, during which you mentioned that you were disappointed in our level of communication and that you and your Board of Directors had made a "business decision" to discontinue all services in the City of Bell (City). You also stated that you would not consider a "Month to Month" opportunity and expressed your frustration with your current billing situation.

Please be advised that we will make the necessary adjustments to your billing, based on your public notice (see attached flyer) which states, "you will only make medical trips from June 27 -- June 30, 2011." As a courtesy to you, please be advised that we will notify the MTA and Regional Coordinated Programs and make certain that our residents have a viable mode of transportation available to them on July 01, 2011.

Finally, as you are well aware, certain vehicles that the OldTimers Foundation has used in the City of Bell are the property of the City. As such, please contact me at your earliest convenience to discuss the return of those vehicles pursuant to the contractual agreement between the City of Bell and the Oldtimers Foundation.

Once again, thank you very much for your time.

Sincerely,

PEDRO CARRILLO

Interim Chief Administrative Officer

**RE: OFFICIAL NOTICE TO DISCONTINUE SERVICES**

Dear Ms. Muro:

This letter memorializes our conversation of Tuesday June 28, 2011 at approximately 8:45AM, during which you mentioned that you did not agree with my recollection of our conversation on Friday June 24, 2011. This morning you indicated that the Oldtimers Foundation is open to considering a "Month to Month" opportunity until the City of Bell finalizes their RFP process for transportation services.

Further, you clarified that the Oldtimers Foundation is in fact, interested in a professional transition and that you are willing to serve the City of Bell until such a time that the City of Bell City Council decides otherwise.

Given your comments and commitment, and recognizing the concerns raised by a member of the City Council, I will be presenting a thorough staff report with options for the City Council to consider at the next regularly scheduled City Council meeting, June 13, 2011. The staff report will be inclusive of the RFP update, MTA directive and staff recommendations, along with fiscal impact.

By way of the this communication, I am advising you as a courtesy, that I will not be implementing the MTA suggested alternative for replacement of the our transportation program, on July 01, 2011, until such time that the City of Bell City Council reviews and has an opportunity to discuss.

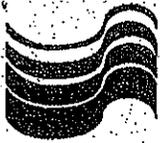

Finally, as you are well aware, certain vehicles that the Oldtimers Foundation has used in the City of Bell are the property of the City and we should have a discussion on that matter, at your earliest convenience.

Once again, thank you very much for your time.

Sincerely,

PEDRO CARRILLO

**RE: Response to Notices for Discontinuation of Services**

Dear Mr. Carrillo:

We are in receipt of your letters dated June 24, 2011, and June 28, 2011, regarding the discontinuation of Oldtimers Foundation's (Oldtimers) services in the City of Bell (City).

As a follow-up to our conversation from this morning and to affirm our commitment to ensure the most seamless transition occurs for the residents of Bell who depend on the transportation we provide, by means of this letter we wish to confirm that we are open to negotiating a month-to-month contract for transportation services past the June 30, 2011, contract termination date.

Your request from this morning was for Oldtimers to agree to a contract extension through July 13, 2011, in order to provide you time to put together your staff report and to get approval from Council for the transition plan you would like to implement. However, understanding that effective service planning and conducting of a thorough RFP process may exceed the two week time frame in question, should the Council approve, we are open to operating under a month-to-month contract until the date when a service provider is selected by Council and a full transition can occur.

Please be advised that immediately following our conversation on Friday morning, June 24, 2011, we ceased to distribute any further notices to Bell passengers regarding the termination of our service. Furthermore, the transportation services being provided were not scaled back in anticipation of the contract termination and will remain in full effect throughout the current contract term. Should you choose to alter the invoicing provided through the June 30, 2011, in any form, we respectfully request that due diligence be afforded to us in order to remedy the adjustments being proposed.

Per our conversation this morning, we understand that you have been in contact with the office of Congresswoman Lucille Roybal Allard and the MTA regarding the transportation transition plan you are seeking to implement. Please be advised that we have been in communication with the MTA as well, not only with regard to the vehicles that we currently operate for the City, but also with regard to how the decision to terminate the contract that Oldtimers holds will impact the larger Coordinated Program

that operates under an MOU held mutually with the cities of Huntington Park and South Gate. With regard to the vehicles, in order for the City to not lose the funding that was provided through the grant award by the MTA during the 2008 Mini-Call cycle, Oldtimers provided the match for the vehicle purchase through a note currently secured by the vehicles. The decision to do this was made after being advised by Ms. Lourdes Garcia that the City did not have the funds to provide the match and had no interest in the vehicles at the time vehicles were need to be purchased in order to meet the grant deadline. Please inform us of how the City would like to resolve this aspect of the termination of the Agreement and the outstanding note.

With regard to the Coordinated Transportation Program, as the transportation operator for the cities of Huntington Park and South Gate for this program, we ask for your disclosure of the conversations you have had with the MTA, specifically as to whether the "MTA suggested alternative for replacement" of the City's transportation program includes the plan for either continuance or abandonment of the City's share in the Coordinated Program. Our ultimate goal here is to ensure that the City of Bell does not jeopardize its role in the Coordinated Program and subsequently forfeit monies that can be used for provision of transportation services in the transition.

In closing, be assured that Oldtimers' intent is and has always been to be professional in our dealings with the various cities that we contract with and with the residents of those cities that we service on a daily basis. You have our commitment to work hand in hand with you and the City Council in implementing the transition plan that will ultimately be followed for provision of transportation services to the residents of Bell.

If you have any questions or require additional information, please do not hesitate to contact me via email at [irene.muro@gmail.com](mailto:irene.muro@gmail.com) or by cell at (562) 455-6005.

# City Of Bell Agenda Report

---

DATE: July 13, 2011  
TO: Mayor and Council Members  
FROM: Pedro Carrillo, Interim Chief Administrative Officer  
SUBJECT: Approval of Agreement with Medina Construction for Interim General Maintenance and Construction Services

## **Background:**

In October 2010, the State Controller's Office audited the Gas Tax Fund, Proposition 1B, and Traffic Congestion Relief Fund for the period of July 1, 2007 through June 30, 2010. The report issued several findings and recommendations. Finding No 2 disclosed unsupported costs for general maintenance charges. The State Controller recommended that the City should have an approved written contract for these services and that solicitation of these services should be sought through a formal bidding process, as "best practices" require. Therefore, the City continues to work diligently to implement corrective actions to bring the City of Bell into full compliance, as recommended by various audits.

The City has received a proposal from Luis Medina, DBA Medina Construction ("Medina") to provide interim general maintenance and construction services. Medina is currently providing the City with these services as our Public Works department has no permanent employees.

## **Discussion:**

As a result of the findings and issues identified, the interim Chief Administrative Officer extended the existing general maintenance and construction services agreement on an interim basis to avoid interruption of mandated public works services. The iCAO has been introducing the consideration and approval of this contract for the last six months. Due to the lack of operating and functional council and court order restrictions, the contract was not considered by the former City Council. The proposed contract for interim general maintenance and construction services is being resubmitted for your consideration and approval.

Under the terms of the proposed professional services agreement, Medina will serve as the City's interim general maintenance and construction provider for the City's Public Works division, and will be paid pursuant to Section 11 titled "Compensation" at a monthly fee of \$18,000 for a maximum of 400 hours per month, and any excess shall be billed at the hourly rate of \$55.00 per hour for laborer services and \$75.00 per hour for supervisory services.

Pursuant to the terms of the proposed scope of work, Medina is listed in Exhibit A of the agreement. The scope includes but is not limited to: Public buildings maintenance; trimming of small trees (max. height 15 ft); replacement and maintenance of roadway signs; maintenance of City streets as needed; maintenance of City sidewalks, curb and gutter, and other concrete structures; general street cleaning (except sweeping operations) and removal of bulky items as needed; miscellaneous Public Works related activities as needed; miscellaneous landscape and irrigation maintenance as needed; emergency services 24 hours per day, 7 days per week, as directed by the City's management; such services may be associated with traffic accidents, waste spill response, sewage response, fallen trees, street light poles down, roadway signs down, earthquake and other acts of God catastrophes, as needed.

Pursuant to the 2010 Gas Tax audit, the General Fund had to reimburse \$521,086 to Gas Tax, Prop 1B, and Traffic Congestion Relief funds in the fiscal year 2009-2010, which \$129,600 represented ineligible maintenance charges. Therefore, it is critical to approve the interim general maintenance and construction services agreement to comply with the State Controller's findings. Failure to meet the state requirements will result in further disallowance of expenditures **already paid** from Gas Tax, Prop 1B, and Traffic Congestion Relief funds in the fiscal year 2010-2011.

### **Recommendation**

It is recommended that the City Council authorize the Interim Chief Administrative Officer to enter into a general maintenance and construction services agreement with Luis Medina DBA Medina Construction for interim public work services, subject to the approval as to form by the Interim City Attorney. In addition, direct the Interim Chief Administrative Officer to prepare and issue a request for proposal (RFP) for general maintenance and construction services to select a contractor to perform services in the City's Public Works division through a competitive bidding process.

# City of Bell Agenda Report

---

DATE: July 13, 2011  
TO: Mayor and Members of the City Council  
FROM: Pedro Carrillo, Interim Chief Administrative Officer  
BY: Ana L Gutierrez, City Treasurer  
SUBJECT: Book Transfers-Payroll Expenses

## RECOMMENDATION:

Consideration and approval by City Council of six (6) book transfer payments made during July 2010 through January 2011 to enable the recording of these expenditures on the general ledger and vendor record in accordance with accounting procedures.

## BACKGROUND:

In order to fulfill the City's payroll related expenses; salaries, payroll tax liabilities, and payroll retirement contributions, it was necessary to fund the payroll account by processing bank book transfers and wire transfers to meet the payroll obligations.. Subsequently, as set forth by the Internal Revenue Service and by the California Public Employees' Retirement System electronic payments were made to comply with respective deadlines and to avoid penalties.

As a result of insufficient staffing levels and increase in the department's workload, some processes were inadvertently bypassed as staff attempted to meet established deadlines. During the bank cash reconciliation of the City's general checking account, it was identified that six payments were unintentionally not included in the pertaining warrant register. These wire transfer are listed as follows:

<u>PAYEE</u>	<u>DECRPTION</u>	<u>AMOUNT</u>
Cal-PERS	Retirement Pay for June 11, 2010	\$81,952.64
Cal-PERS	Retirement Pay for June 25, 2010	\$83,902.97
<u>PAYEE</u>	<u>DECRPTION</u>	<u>AMOUNT</u>
City of Bell Payroll Fund	Payroll of 12/10/10 (General)	\$262,145.74

City of Bell Payroll Fund	Payroll of 12/10/10 (CRA)	\$2,475.75
City of Bell Payroll Fund	Payroll Taxes for 1/21/11	\$10,083.49

This action is required to properly record the aforementioned payments in the City's General Ledger and each vendor record. Upon your approval of this warrant register, the wire transfers will be processed through the accounts payable cycle similarly to all other wire transfers.

FISCAL IMPACT

Payments were already made in previous months. Approval of this warrant register will not have an additional financial impact.
