12:17:28 AM Mayor Saleh asked Interim City Attorney to explain the subsequent vote.

12:17:30 AM Interim City Attorney Casso explained that the vote was to waive the attorney client work product and attorney client communication privilege regarding an analysis that was conducted by special counsel Roeca Hass and Hager on the conflict of interest issues involving the selection of Aleshire & Wynder. That document will be provided to members of the public. A summary of Mr. Hagggar's analysis was to be reported once the Council got to item 7.12. 12:32:24 AM Interim City Attorney Casso: no there are provisions with not to exceed

12:32:36 AM Councilman Valencia questioned if Mr. Casso was aware of any of the negotiations that took place.

12:32:38 AM Interim City Attorney Casso stated that he did not participate in any of the negotiations.

12:32:46 AM Councilman Valencia questioned who drafted the contract.

12:32:48 AM Interim City Attorney Casso responded that Aleshire & Wynder drafted the contract.

12:33:14 AM Councilman Valencia questioned the darkened provision on page 8 of the contract.

12:33:29 AM Interim City Attorney Casso responded that the provision was stricken during the negotiations.

12:34:18 AM Councilwoman Quintana provided the following directive for Mr. Aleshire to execute a valid waiver to be signed by both parties BASTA and the city.

12:36:57 AM Ed Bertrand, Aleshire & Wynder LLP, requested clarification if the waiver that Ms. Quintana was seeking was specific to the language that was in the outside opinion about matters including the Attorney General's lawsuit that would pertain to BASTA and follow on with Aleshire's interactions with BASTA.

12:38:03 AM Councilwoman Quintana questioned Mr. Bertrand which letter he was you referring to.

12:38:07 AM Mr. Bertrand responded it was the letter that Mr. Casso read.

12:38:07 AM Interim City Attorney Casso stated that Mr. Bertrand was referring to the letter from Haggar.

12:38:11 AM Mr. Bertrand again sought clarification from Councilwoman Quintana and questioned if the waiver she was proposing or requesting is a waiver that tracks Mr. Haggar's language limiting to the matters involving BASTA in the Attorney General's lawsuit or if she was seeking a broader waiver as to all matters.

12:38:59 AM Councilwoman Quintana responded that she would deferred that to the Council.

12:39:02 AM Mayor Saleh clarified that Mr. Bertrand was asking which waiver she was requesting.

12:39:08 AM Councilwoman Quintana referred to when there is a representation to adverse parties there are typical waivers that are signed.

12:39:21 AM Mr. Bertrand clarified if the waiver was to what Mr. Haggar inclined as the adverse and not broader than that.

12:39:24 AM Councilwoman Quintana responded yes.

12:39:24 AM Mayor Saleh clarified that the waiver Ms. Quintana was seeking was between BASTA and the city.

12:39:36 AM Interim City Attorney Casso stated that it was a conflict waiver that is executed by the City –BASTA and BASTA with regard to Aleshire & Wynder representation on the Attorney General's lawsuit.

12:39:57 AM Councilwoman Quintana stated that it was needed as the lawsuit is very much alive.

12:40:08 AM Mr. Bertrand proposed if it would be ok in the recitals to that waiver letter that Aleshire & Wynder deserve the right to memorialize the recital that they disagree with Mr. Haggar's opinion and would provide the waiver at the request of the Council.

12:40:35 AM Interim City Attorney Casso informed the Council that should a waiver be sought it would require direction from the entire Council on that issue.

12:40:48 AM Councilwoman Quintana clarified that this was a directive that was already given and that Mr. Aleshire agreed. However the waiver presented is not a valid waiver.

12:41:01 AM Interim City Attorney Casso responded that it was offered to the Council that a waiver could possibly address the concern. However it was never requested by either BASTA and/or the City sign on to it. Mr. Dale Walker from BASTA offered the waiver a meeting or two ago. The proper way would require the signature of both the city and BASTA on the same waiver letter.

12:42:35 AM Interim City Attorney Casso suggested to the Council that Mr. Haggar be involved in reviewing the waiver between BASTA and the city. It would be most appropriate that the waiver be prepared by Aleshire & Wynder and not necessarily his law firm.

12:43:45 AM Councilman Valencia asked Mr. Bertrand if they were willing to reclude themselves from any discussion or any negotiations with the POA.

12:44:22 AM Mr. Bertrand responded and stated that cannot reclude themselves unless the Council tells them that they want them not to participate in that.

12:44:45 AM Councilwoman Quintana clarified that Mr. Valencia was referring to refusing services or rejecting services.

12:44:47 AM Councilman Valencia stated that they can give that to someone else.

12:44:52 AM Mr. Bertrand responded that this is not something they have proposed. However if the Council should direct them otherwise they would follow Council's direction. The firm is in the opinion that there is not a conflict of interest and certainly not in the Police officers association interest and they would aggressively represent the city's best interest and look forward to representing the interest unless the City Council directs them otherwise.

12:46:03 AM Councilwoman Quintana clarified that in light of transparency and making everyone informed they waived the privilege to this document to be made available to the public.

12:46:26 AM Mr. Bertrand requested further clarification.

12:47:17 AM Interim City Attorney Casso suggested to the City Council to consider having Aleshire and Wynder draft a waiver. The waiver would then be submitted to Mr. Hagggar for his review and once he signs off on it and it can be presented to BASTA. BASTA would then sign off on it. Then it would be presented to the Council to be accepted and signed off on it as to the AG's lawsuit. But it would not preclude Aleshire and Wynder from providing other services prior to the conclusion of and the execution of that document

12:48:07 AM Councilwoman Quintana clarified that Council voted to retain the services from Aleshire and Wynder on June 6, 2011. However on June 22, 2011 the process was delayed to get clearance.

12:49:05 AM Councilman Valencia expressed concern about the process.

12:49:54 AM Mr. Bertrand requested the Council to specified the effective date.

12:50:15 AM Councilwoman Alvarez questioned if the letter provided by BASTA was invalid.

12:50:26 AM Mayor Saleh clarified that the letter needed to be between both the city and BASTA.

12:50:57 AM Councilwoman Quintana stated that only Council has the authority.

12:51:09 AM Mayor Saleh asked Mr. Bertrand if he agreed that it should have been a conflict of waiver.

12:51:12 AM Mr. Bertrand did not respond and requested copy of Mr. Hagggar's letter.

12:51:33 AM Mayor Saleh responded that he would provide his copy to him.

12:51:44 AM Councilwoman Alvarez questioned if this was something needed in order to hire a new attorney or if this was a new direction to go out to bid.

12:52:23 AM It was moved by Vice Mayor Harber; seconded by Councilwoman Alvarez to the contract with Aleshire & Wynder for City Attorney Services beginning July 28, 2011.

12:53:38 AM Councilman Valencia clarified that it is not a blessing on the conflict of interest and therefore a waiver is needed.

12:54:46 AM Interim City Attorney Casso sought clarification if the motion also included a request that there be a conflict waiver.

12:54:53 AM Mayor Saleh responded that yes the waiver would be between BASTA and the city.
