# Welcome to the City Council Meeting

The Bell City Council and staff welcome you. This is your City Government. Individual participation is a basic part of American Democracy and all Bell residents are encouraged to attend meetings of the City Council. Regular City Council meetings are held the first and third Wednesday of the month at 7:00 p.m., Bell Council Chambers, 6330 Pine Avenue. For more information, you may call City Hall during regular business hours 8:00 a.m. to 4:00 p.m., Monday through Friday at (323) 588-6211 Extension 217.

## City Council Organization

There are five City Council members, one of whom serves as Mayor and is the presiding officer of the City Council. These are your elected representatives who act as a Board of Directors for the City of Bell. City Council members are like you, concerned residents of the community who provide guidance in the operation of your City.

## Addressing the City Council

If you wish to speak to the City Council on any item which is listed or not listed on the City Council Agenda, please complete a *Request to Speak Card* available in the back of the City Council Chambers. Please submit the completed card to the City Clerk prior to the meeting. The Mayor will call you to the microphone at the appropriate time if you have filled out a *Request to Speak Card*. At that time, please approach the podium, clearly state your name and address, and proceed to make your comments.

## Compliance with Americans with Disabilities Act

The City of Bell, in complying with the Americans with Disabilities Act (ADA), request individuals who require special accommodation(s) to access, attend, and or participate in a City meeting due to disability. Please contact the City Clerk's Office, (323) 588-6211, Ext. 217, at least one business day prior to the scheduled meeting to insure that we may assist you.

## Statement Regarding Compensation for Members of the Bell City Council

Compensation for the members of the Bell City Council is \$673 a month. In accordance with Government Code Section 54952.3, Councilmembers will not receive any additional compensation or stipend for the convening of the following regular meetings: Successor Agency to the Bell Community Redevelopment Agency, the Bell Community Housing Authority, the Bell Public Finance Authority, the Bell Surplus Property Authority, the Bell Solid Waste Authority, and the Planning Commission.

Pledge of Allegiance was led by Brooke Candelario

**City Attorney Report**

The City Attorney reported that all items on the Closed Session agenda were discussed except Item 1 (a) and that there was no action taken on the items discussed.

**Presentation by interim City Manager on the Organization of the City of Bell**

Interim Chief Administrative Office Croce gave a brief presentation on the City of Bell organization and Council/Manager plan which combines democratically elected accountability with professional management.

**Communications from the Public on Agenda Items Only**

Alfred Areyan spoke on items 7, 10, 11, and 12 and supported looking at additional options for refuse collection; Ismael Morales urged the Council to select the most reasonable solid waste provider for the residents; Maricela Herrera suggested that there should be a greater focus on youth programs such as baseball.

**Consent Calendar**

- Mayor Saleh pulled item #5 at the request of the City Attorney for clarification
  - Councilmember Valencia pulled items 2, 4, and 6 for separate discussion

***MOTION UNANIMOUSLY ADOPTED***

City Attorney Aleshire noted that the language in the section on System Maintenance in the Memorandum of Agreement for the Los Angeles Regional Integrated Law and Justice Project (Item 5) needs to be clarified to reflect that future costs would come back to the City Council for approval. Councilmembers raised concerns about protection for the City. Councilmember Quintana asked why the section on indemnification was taken out of the final proposed agreement. City Attorney Aleshire noted that he could include a cover letter expressing our concerns about the deletion of the indemnification section and if other cities wanted it restored in the agreement, the City of Bell also wants this provision to protect the City. Mr. Aleshire also noted the agreement did not expressly provide for the City Council to approve any cost to the city that could come out of the contract. He will include this provision in his transmittal letter.

***Motion by Councilmember Valencia, seconded by Vice-Mayor Harber to approve a Memorandum of Agreement with the Los Angeles Regional Integrated Law and Justice Project (COPLINK) (Item 5) with the clarifications listed above, was adopted by the following vote:***

#### **7. Solid Waste and Recycling Request for Proposals and Franchise Agreement (*Council*)**

Mr. Bill Smith, Solid Waste Consultant, gave a presentation on the components of the proposed Request for Proposals (RFP) and franchise agreement and noted that the documents presented delineate a comprehensive solid waste hauling and recycling system. He further assured the Council that staff expects a seamless transition to occur on July 1, 2012, when the new agreement becomes effective. Residents and businesses should see improved service and lower rates. Mr. Smith also recommended that the Council approve an amendment to the current franchise agreement with Consolidated Disposal for a short term extension in the event the July 1, 2012 scheduled startup date of the new franchise cannot be met.

Council discussion ensued. The Council debated the issue of the purchase of the carts. Staff recommended that the City purchase the initial distribution of carts at a cost of \$1.2 million. Councilmember Valencia recommended that the City not purchase carts at this time and include a provision in the RFP that prospective bidders provide a breakdown of costs including the cost of the vendor providing the carts; he also expressed concern about the length of the contract. Council debate continued.

***Motion by Councilmember Valencia to approve the Request for Proposals (RFP), postpone the City purchase of carts, and require vendors to include the cost of providing carts in the proposals and also provide a complete breakdown of all costs associated with the bids, failed due to lack of a second.***

Council discussion continued. Councilmember Quintana supported the City purchasing the carts now and noted that doing so was in tune with community's desire to not have the charges for refuse collection service included on the property tax as separate assessments, and that doing so would guarantee that the RFP process would be a fair and equal process for all bidders. She agreed that bidders should include a cost breakdown in their bid.

***Motion by Councilmember Quintana, seconded by Vice Mayor Harber to approve:***

***(a) the Request for Proposals (RFP) and included Franchise Agreement and authorize immediate publication.***

***(b) an amendment to the current franchise agreement with Consolidated Disposal for a short term extension in the event the July 1, 2012 scheduled startup date of the new franchise cannot be met***

***(c) Require that vendors include a breakdown of all associated costs in the proposals to the City,***

The City Council recessed the meeting at 9:35 P.M. and reconvened at 10:05 P.M.

9. Bell Community Housing Authority Policies and Guidelines (**Bell Community Housing Authority**)

Debra Kurita, Director of Community Services gave a brief explanation of the proposed Community Housing Authority Policies and Guidelines for rent payments and, if necessary, eviction. The policies also include guidelines and procedures for the removal of Surplus property. Following this presentation, Council discussion ensued. Councilmembers asked questions relative to a provision in which City employees could purchase mobile homes, recreation vehicles or trailers if offered at public auction. The policy would prohibit employees from purchasing any mobile home sold by means other than a public auction

RESOLUTION NO. 2012-29 - A Resolution of the Bell Community Housing Authority Approving the Policies and Guidelines for Enforcement of Rent Payment and/or Eviction

**Motion by Councilmember Alvarez, seconded by Vice-Mayor Harber, to adopt Resolution No. 2012-29, failed of adoption by the following vote:**

**Ayes:** Councilmember Alvarez, Vice Mayor Harber (2)  
**Noes:** Councilmembers Quintana and Valencia, and Mayor Saleh (3)  
**Abstained:** None (0)  
**Absent:** None (0)

**MOTION FAILED**

**Motion by Councilmember Quintana, seconded by Vice-Mayor Harber to adopt Resolution No. 2012-29, and amend the policies to exclude employees from purchasing mobile homes under any circumstances, including auctions, was adopted by the following vote:**

10. Review of New City of Bell Logo (**Council**)

Recommendation: That the City Council:

- (a.) Direct staff to add color options to the proposed four concepts; and
- (b.) Display the colorized versions on the City of Bell website to solicit public opinion via Survey Monkey, an online survey method, for a one-week period prior to the upcoming March 21, 2012 Council Meeting, at which time the Council would select a new logo design.

**Item No. 10 was continued by unanimous consent to the Special City Council Meeting of March 14, 2012**

11. Addendum No. 2 to City of Bell and Oldtimers Foundation Agreement for Paratransit Services for Bell Residents (**Council**)

Recommendation: Approve the attached Addendum No. 2 to the City of Bell and Oldtimers Foundations' Agreement that authorizes the provision of Paratransit Services for the period beginning on July 1, 2010 through to such time the City completes the bid process for continuation of services and the chosen provider begins service.

**Item No. 11 was continued by unanimous consent to the Special City Council Meeting of March 14, 2012**

12. Consideration of actions relating to appointments to the Oversight Board to the Successor Agency to the former Bell Community Redevelopment Agency (**Successor Agency**)

**Motion by Councilmember Quintana, seconded by Councilmember Valencia that the City Council acting as Successor Agency:**

- (a.) **Provide nominations for the Mayor to appoint as members to the Oversight Board representing the City**
- (b.) **Authorize the Mayor to provide the nominations to the Los Angeles County Board of Supervisors office for appointments to the Oversight Board**
- (c.) **Direct staff to reach out to Supervisor Molina and other Oversight Board members to begin a dialog concerning the dissolution process of the former Bell Community Redevelopment Agency**
- (d.) **Direct staff to set a date and time for the first Oversight Board meeting**

**Was adopted by the following vote:**

**Ayes: Councilmembers Alvarez, Quintana, Valencia, Vice Mayor Harber, and Mayor Saleh (5)**

**Noes: None (0)**

**Abstained: None (0)**

**Absent: None (0)**

**MOTION UNANIMOUSLY ADOPTED**

13. Consideration of establishing a Local Advisory Committee for the I-710 Freeway Corridor Project (**Council**)

Recommendation: The City Council approve the following items:

Minutes of Bell City Council,  
Successor Agency to the Bell Community Redevelopment Agency and  
Bell Community Housing Authority  
March 7, 2012

- (a) Establish a 5-member Local Advisory Committee.
- (b) Appoint five community members where two members are from the Bell business community and 3 members are Bell residents.
- (c) Direct staff to proceed with advertising the call for committee members in local newspaper, the city's website, Chamber of Commerce, and direct mailings to the interest list.
- (d) Establish a deadline for application on March 23, 2012.
- (e) Request the Gateway Cities Council of Government to supply staff support for the Bell Local Advisory Committee.

**Item No. 13 was continued by unanimous consent to the Special City Council Meeting of March 14, 2012**

14. Consideration of a resolution supporting the maintenance of adult education by the Los Angeles Unified School District (LAUSD) (**Council**)

RESOLUTION NO. 2012-30 – a Resolution of the City Council of the City of Bell, California Urging the Los Angeles Unified School District to Reconfirm its Commitment to Adult and Career Education, and to Commit to Preserve Funding for the Division of Adult and Career Education at the 2011-2012 Funding Level.

Councilmember Quintana gave a brief explanation of this item and noted that it was particularly important for the Board of the Los Angeles Unified School District (LAUSD) to reconfirm its commitment to Adult and Career Education at this time. The construction for the Adult and Career Education Center in the City of Bell is underway and is estimated to be completed by the end of May, 2012. Plans for this center will be jeopardized if the LAUSD eliminates all funding for Adult and Career Education. Council discussion ensued.

***Motion by Councilmember Valencia, seconded by Councilmember Alvarez to adopt Resolution No. 2012-30 was adopted by the following vote:***

***Ayes: Councilmembers Alvarez, Quintana, Valencia, Vice Mayor Harber, and Mayor Saleh (5)***

***Noes: None (0)***

***Abstained: None (0)***

***Absent: None (0)***

**MOTION UNANIMOUSLY ADOPTED**

**Communications from the Public on Non-Agenda Matters**

Alfred Areyan asked for the Council's help in monitoring billings for water usage in the City by Golden State Water; Fernando Cheverria raised concerns about the ongoing Police Negotiations; Alma Rico expressed concern about the placement of crossing guards at some intersections; and Mario Rivas raised several general concerns about city operations.

when considering contract negotiations; Norma Saenz noted that it was premature to look at a new logo for the city.

### Special Meeting Agenda

#### 2. Budget Policies - continued from the Special Meeting of February 22, 2012

Bill Statler, Budget Advisor, provided the Council with proposed Budget and Fiscal Policies in guiding preparation of the Preliminary Budget. It is anticipated that final adoption of the policies will be in June 2012 in conjunction with approval of the 2012-13 Budget. In his presentation he focused on six budget and fiscal policies: budget purpose and organization, revenue management, user fee cost recovery, minimum fund balance and reserves, financial reporting and budget administration, and, contracting for services. Following his presentation, Council discussion ensued and the Council conceptually approved the proposed budget policies in guiding preparation of the preliminary budget.

#### 3. Consideration of establishing a Local Advisory Committee for the I-710 Freeway Corridor Project - continued from the Regular Meeting of March 7, 2012

Nancy Fong, Interim Community Development Director, provided the Council with background history on the status of the I-710 Corridor project and explained the value in forming a new Local Advisory Committee to monitor the status of the freeway project, review the project design and to provide feedback to Councilmember Quintana, the designated Bell representative, and subsequently, to Metro on local preferences and concerns. Following Ms. Fong's presentation, Council discussion ensued. Bell residents and the business community were encouraged to apply to be appointed to the 5-member Local Advisory Committee.

**Motion by Councilmember Quintana, seconded by Vice-Mayor Harber, to:**

- (a) Establish a 5-member Local Advisory Committee.**
- (b) Appoint five community members where two members are from the Bell business community and 3 members are Bell residents.**
- (c) Direct staff to proceed with advertising the call for committee members in local newspaper, the city's website, Chamber of Commerce, and direct mailings to the interest list.**
- (d) Establish a deadline for application on April 2, 2012.**
- (e) Request the Gateway Cities Council of Government to supply staff support for the Bell Local Advisory Committee was adopted by the following vote:**

**Ayes: Councilmembers Alvarez, Quintana, Valencia, Vice-Mayor Harber, Mayor Saleh (5)**  
**Noes: None (0)**  
**Abstained: None (0)**  
**Absent: None (0)**

**MOTION UNANIMOUSLY ADOPTED**

#### 4. Review of New City of Bell Logo - continued from the Regular Meeting of March 7, 2012

Magdalena Prado, Senior Management Analyst, presented background information on the efforts taken to identify a new logo design concept. She noted that Mayor Saleh,

Councilmember Valencia and staff met with the City's website administrators to provide background from which to base their initial design concepts. Three designs were presented to the City Council for their review and input. Following the presentation, Council discussion ensued and the Council debated whether a new logo was desirable at this time.

**Motion by Councilmember Alvarez, seconded by Councilmember Valencia to:**

- (a) **Direct staff to add color options to the proposed four concepts; and**
- (b) **Display the colorized versions on the City of Bell website to solicit public opinion via Survey Monkey, an online survey method, for a one-week period prior to a future Council Meeting, at which time the Council would select a new logo design was adopted by the following vote:**

**Ayes: Councilmembers Alvarez, Valencia, Mayor Saleh (3)**

**Noes: Councilmember Quintana, Vice-Mayor Harber (2)**

**Abstained: None (0)**

**Absent: None (0)**

**MOTION ADOPTED**

5. Addendum No. 2 to City of Bell and Oldtimers Foundation Agreement for Paratransit Services for Bell Residents - **Continued from the Regular Meeting of March 7, 2012**

Pamela Easter, Co-interim Finance Director, provided the Council with background information of the status of the Oldtimers Foundation agreement for Paratransit service for Bell residents executed in 1996. She noted that the Los Angeles County Metropolitan Transportation Authority (MTA) audits the City's expenditure of Proposition A and C as well as Measure R funds, and that MTA requires a Council approved agreement between the City and the Provider for the expenditure of funds to be allowed. For the period beginning July 1, 2010, such a Council approved agreement was not in place for Oldtimers Foundation. The addendum would provide the official Council action required for the period from July 1, 2010 through such time in 2012 a new Paratransit services contract is awarded. Council discussion ensued

**Motion by Vice-Mayor Harber, seconded by Councilmember Quintana, to approve Addendum No. 2 to the City of Bell and Oldtimers Foundations' Agreement that authorizes the provision of Paratransit Services for the period beginning on July 1, 2010 through to such time the City completes the bid process for continuation of services and the chosen provider, was adopted by the following vote:**

**Ayes: Councilmembers Alvarez and Quintana, Vice-Mayor Harber (3)**

**Noes: Mayor Saleh (1)**

**Abstained: Valencia (1)**

**Absent: None (0)**

**MOTION ADOPTED**

6. Proposed Council Policies/Procedures

Interim Chief Administrative Officer Arne Croce reviewed the proposed draft City Council and Expense Reimbursement policies and procedures. Following his presentation, Council discussion ensued and Councilmembers provided comments and direction to staff on the draft

Council and expense reimbursement policies and procedures for further consideration by the Council at a future Council meeting.

**Adjournment – 9:15 P.M.**

**Next Regular Meeting, Wednesday, March 21, 2012.**

I, Patricia Healy, CMC, Interim City Clerk of the City of Bell, certify the foregoing minutes were approved by the City Council of the City of Bell at a regular meeting held on the 21<sup>st</sup> of March, 2012.

# City of Bell Agenda Report

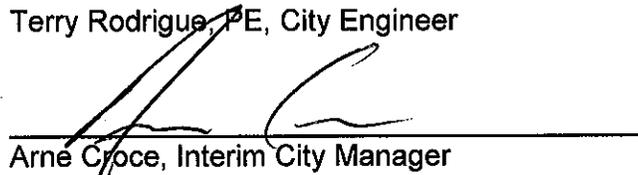

---

**DATE:** March 21, 2012

**TO:** Mayor and Council Members

**FROM:** Terry Rodriguez, PE, City Engineer

**APPROVED  
By:**

  
Arne Croce, Interim City Manager

**SUBJECT:** Award of a Construction Contract to E.C. Construction, Inc. for the Florence Avenue Street Rehabilitation Project (Walker Street to I-710 Freeway), Federal Aid Project No. STPL-5272 (011)

## **RECOMMENDATION:**

Staff recommends that the City Council; (1) award a construction contract to EC Construction Inc in the amount of \$229,409 for the Florence Avenue Street Rehabilitation Project for Federal Aid Project No. STPL-5272 (011) to E.C. Construction, Inc; (2) authorize the Interim City Manager to execute a construction contract following approval as to form by the City Attorney; and (3) authorize the City Engineer to approve the expenditure of a construction contingency, if necessary, not to exceed 10% of the contract amount or \$22,941 for change orders and other unforeseen construction work that may be required to complete the project.

## **BACKGROUND:**

The Florence Avenue Street Rehabilitation Project will provide for street and sidewalk improvements to the east and west bound lanes on Florence Avenue from Walker Avenue to the I-710 Freeway. The scope of work includes asphalt concrete pavement removal, new concrete pavement placement, new curb & gutter, sidewalk repair, new driveway approaches and new handicap ramps. Project plans, specifications and estimates were completed by RSCC Engineering, submitted to Caltrans for review and approved.

Since this project is partially funded with federal money from the Surface Transportation Local (STPL) Program, there are additional requirements and procedures in the plan preparation and bidding process that the City must follow in order for project costs to be eligible for reimbursement. These additional requirements are established and administered by the California Department of Transportation (Caltrans) on behalf of the federal government. In contrast, projects funded with local money are not subject to these additional steps and can generally be completed in a shorter timeframe. Below is a chronology for the Florence Avenue Project.

Updated Project Chronology and Schedule:

- July 2011: Project is approved in the 2011 – 2012 City of Bell Capital Improvement Program and Budget

- August 2011: RSCC Engineering authorized to proceed with the design of roadway improvements.
- November 2011: Plans, Specifications, and Estimate submitted to Caltrans. Caltrans approval required before the project can be advertised for bids.
- December 2011: Caltrans, Federal-Aid Program, issued Authorization Agreement (E-76) and approved project for advertisement of construction bids on December 23
- January 2012: Council approves and authorizes the advertising of the project on January 25
- February 2012: Advertisement of project for construction bids and public bid opening on March 6
- March 2012: Award of construction contract on March 21
- March 2012: Preconstruction meeting with contractor, utility representatives and city staff to review schedule, traffic control plans and sequence of work on March 28
- May 2012: Estimated start of construction May 7
- June 2012: Estimated completion of construction June 15. Construction contract stipulates 30 working days for the project.
- July 2012: Anticipated final project close-out, completion of Caltrans required documentation.
- September 2012: Anticipated date of final reimbursement through the STPL Program

On January 25, 2012, the City Council authorized the City Engineer to publically advertise the Notice Inviting Bids. The project was advertised for bids and the City Clerk received eight bids on Tuesday, March 6, 2012 at 11:00am as follows:

<b>Contractor Name</b>	<b>Bid Amount</b>
E.C. Construction Company	\$229,409.00
Silvia Construction, Inc.	\$267,394.00
Hardy & Harper, Inc.	\$274,000.00
Sequel Contractors, Inc.	\$278,222.00
Excel Paving	\$282,525.00
Shawnan	\$314,950.00
All-American Asphalt	\$368,432.50
United Paving	\$380,678.00

The Engineer's Opinion of Construction Costs for this project was \$275,000.00.

Staff has reviewed the bids and determined that E.C. Construction Company is the lowest responsive and responsible bidder. E.C. Construction holds a valid Class A, C-8, and C-12 General Contractor's license in the State of California, with no enforcement actions listed. Their

license expires in November 30, 2012. The Experience/Qualifications Statement that was submitted with the bid documents indicate that E.C. Construction has engaged in contracting under the current name for thirty-four years, and has never failed to satisfactorily complete a contract. E.C. Construction Company listed three similar street resurfacing and improvement projects since 2010 ranging in value from \$150,000 to \$1.5 million. These projects were completed for the Cities of South Pasadena, Monrovia, and Glendale.

**FISCAL IMPACTS:**

The Project is funded with \$30,000 from Prop C (Fund 68) and \$275,000 from Federal Aid STPL funds totaling \$305,000. The Project expenditure summary is provided in the table below.

<b>Project Budget</b>	<b>\$305,000</b>
Engineering	\$20,000
Construction Management	\$35,000
Construction	\$229,409
<b>Total</b>	<b>\$279,409</b>

Agenda Report**

DATE: March 21, 2012

TO: Mayor and Members of the City Council

FROM: Anita Lawrence, Co Interim Finance Director

APPROVED BY:   
Arne Croce, Interim Chief Administrative Officer

SUBJECT: Authorization for New Local Agency Investment Fund (LAIF) Account

**RECOMMENDATION:**

Adopt a Resolution authorizing a new account for the Successor to the Community Redevelopment Agency of the City of Bell at the Local Agency Investment Fund (LAIF).

**BACKGROUND AND DISCUSSION:**

The City of Bell recently dissolved its Redevelopment Agency in response to actions of the California Legislature to eliminate all redevelopment agencies in the State. Once it became clear that this event was going to occur, the State Treasurer's Office notified all redevelopment agencies with LAIF accounts that those accounts would close since the Redevelopment Agencies themselves would no longer be valid. The notification by the State Treasurer did not allow enough time for agencies to establish new LAIF accounts for the redevelopment monies then being held at LAIF under the names of the redevelopment agencies before the February 1, 2012 deadline.

In response to the notification by the State Treasurer, many agencies withdrew all of their funds out of their respective LAIF redevelopment accounts and deposited those funds in their bank accounts. Bell was among those agencies that took that step. Consequently, the City of Bell now has all of the funds that were formerly in the LAIF redevelopment account sitting in a non interest bearing account at Wells Fargo Bank.

Staff is recommending that the City, acting as the successor agency, open a new LAIF account for deposit of those funds, entitled City of Bell Successor Agency Account. LAIF requires a resolution be adopted by the governing body.

**FINANCIAL IMPACT**

There is over \$3 million in the account that will be transferred if approved, therefore, at the current annualized interest rate at LAIF, the annual earnings are estimated to be over \$11,000.

**RESOLUTION 2012 – 31**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BELL, CALIFORNIA, APPROVING A NEW, LOCAL AGENCY INVESTMENT FUND ACCOUNT IN THE CALIFORNIA STATE TREASURY FOR INVESTING FUNDS ASSOCIATED WITH THE CITY'S ROLE AS SUCCESSOR AGENCY TO THE FORMER COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF BELL**

**WHEREAS**, on December 29, 2011, the California Supreme Court issued its opinion in the case *California Redevelopment Association, et al. v. Ana Matosantos, etc., et al.*, Case No. S196861, and upheld the validity of Assembly Bill 1x26 ("AB1x26") and invalidated Assembly Bill 1x27; and

**WHEREAS**, the Court's decision results in the implementation of AB1x26 which dissolves all the redevelopment agencies in the State of California as of February 1, 2012; and

**WHEREAS**, the City is, by operation of law, the Successor Agency to the Redevelopment Agency for purposes of winding-down the Redevelopment Agency under AB1x26; and

**WHEREAS**, the City, as Successor Agency to the Redevelopment Agency, was notified by the California State Treasurer that the Local Agency Investment Fund (LAIF) account established in the name of the Community Redevelopment Agency of the City of Bell would be closed effective February 1, 2012, and

**WHEREAS**, all funds in the LAIF account were transferred to Wells Fargo Bank, and

**WHEREAS**, the LAIF account in the name of the Community Redevelopment Agency of the City of Bell was closed as of January 31, 2012, and

**WHEREAS**, Pursuant to Chapter 730 of the statutes of 1976 Section 16429.1 was added to the California Government Code to create a Local Agency Investment Fund in the State Treasury for the deposit of money of a local agency for purposes of investment by the State Treasurer; and

**WHEREAS**, the City of Bell, acting as successor agency to the former Community Redevelopment Agency of the City of Bell, does hereby find that the deposit and withdrawal of money in the Local Agency Investment Fund in accordance with the provisions of Section 16429.1 of the Government Code for the purpose of investment as stated therein as in the best interests of the City of Bell.

**NOW THEREFORE, BE IT RESOLVED**, that the City of Bell, as successor agency to the former Community Redevelopment Agency of the City of Bell, does hereby authorize the deposit and withdrawal of monies in the Local Agency Investment Fund in the State Treasury in accordance with the provisions of Section 16429.1 of the

Government Code for the purpose of investment as stated therein, and verification by the State Treasurer's Office of all banking information provided in that regard.

**BE IT FURTHER RESOLVED**, that the following City of Bell officers **or their successors in office** shall be authorized to order the deposit or withdrawal of monies in the Local Agency Investment Fund:

## City of Bell Agenda Report

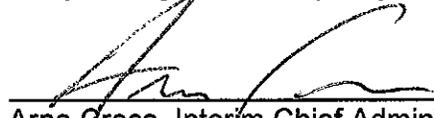

---

**DATE:** March 21, 2012

**TO:** Mayor and Council Members

**FROM:** Terry Rodrigue, PE, City Engineer

**APPROVED  
By:**

  
Arne Groce, Interim Chief Administrative Officer

**SUBJECT:** Approval of a Resolution Accepting the Street Rehabilitation at Various Locations Project as Complete and File Notice of Completion.

### **RECOMMENDATION:**

1. Accept the street rehabilitation at Various Locations Project (Randolph Street – from Otis to Atlantic; Woodward Avenue – from Gage Avenue to Randolph; Otis Avenue – from Otis to Corona; Weik Avenue – from Otis to Corona Improvements) as Complete; and,
2. Authorize Staff to File the Notice of Completion with the Los Angeles County Recorder

### **BACKGROUND:**

On May 11, 2011, the City Council authorized RSCC (the former city engineer) to prepare plans, specifications and estimates (PS&E) for the Street Rehabilitation at Various Locations Project. On August 11<sup>th</sup> and 18<sup>th</sup>, 2011, the City Clerk publically advertised the Notice Inviting Bids and on August 23, 2011, at 11:00am, the City received six sealed bid proposals. In the presence of all proposers eight bid proposals were opened, read aloud, and recorded by the City Clerk.

On September 28, 2011, the City Council awarded a construction contract to the lowest responsive and responsible bidder, Hardy & Harper, Inc. in the amount of \$356,900. The project roadway improvements consisted of street pavement asphalt overlay, minor concrete drainage improvements, traffic striping and street pavement markings at Randolph Street, Woodward Avenue, Otis Avenue and Weik Avenue locations.

At this time, all work has been completed in a total amount of \$356,900 and there were no contract change orders. This amount is below the Engineer's Opinion of Construction Costs of \$550,000 which is within the project construction budget and no additional funding is needed.

Hardy and Harper, Inc. has completed all work required under the contract and the project is ready for formal acceptance and filing of the Notice of Completion. If no liens or claims have been filed within 35 days of filing the Notice of Completion with the Los Angeles County Recorder, the City will release the retained funds due to Hardy & Harper, Inc.

**FISCAL IMPACTS:**

The Project is funded by \$626,998 from Proposition 1B (Transportation Bond). The Project budget summary is provided in the table below.

<b>Prop 1B Project Budget</b>	<b>\$626,999</b>
Engineering (PS&E)	\$ 30,000
City Finance Department	\$ 42,000
Construction Management	\$ 30,000
Construction Cost	\$ 356,900
<b>Project Subtotal</b>	<b>\$ 458,900</b>
<b>Project Funding Balance</b>	<b>\$ 168,099</b>

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BELL, CALIFORNIA, APPROVING STREET REHABILITATION AT VARIOUS LOCATIONS PROJECT IMPROVEMENTS AS COMPLETE, AND AUTHORIZING STAFF TO PREPARE AND FILE THE NOTICE OF COMPLETION WITH THE LOS ANGELES COUNTY RECORDER**

**WHEREAS**, on September 28, 2011, the City Council authorized the award of a construction contract to the lowest responsive and responsible bidder, Hardy and Harper , Inc. to construct the Street Rehabilitation at Various Locations Projects; Randolph Street , Project No. 04-525-3737-0926; Woodward Avenue Project No. 04-525-3737-0928; Otis Avenue Project No. 04-525-3737-0988 and Weik Avenue Project No. 04-525-3737-0929 and;

**WHEREAS**, there were no contract change orders; and

**WHEREAS**, Hardy and Harper, Inc. has completed the work in accordance with the contract documents for the Project; and

**WHEREAS**, if no liens or claims have been filed within 35 days of filing the Notice of Completion, the retained payment funds and any remaining amount due will be released to Hardy and Harper, Inc.

**NOW THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED** by the City Council, in regular session assembled on March 21,2012, that:

1. The Project is accepted as complete; and
2. The City Engineer is authorized to prepare a Notice of Completion and the City Clerk is authorized to file a Notice of Completion with the Los Angeles County Recorder

SUBJECT: Allocation of FY 2011-12 Beverage Container Recycling Grant Funds

**RECOMMENDATION:**

Approve an appropriation adjustment recognizing and allocating grant funds of \$9,842 from the State of California Department of Resources Recycling and Recovery to the Beverage Container Recycling Grant Project.

**BACKGROUND AND DISCUSSION:**

The California Division of Recycling administers funding programs to assist cities and counties with establishing convenient beverage container recycling and litter abatement projects, as well as expansion activities for beverage container materials. Funds for this program are made available through the Beverage Container Recycling Grant program which is administered by the California Department of Resources Recycling and Recovery (CalRecycle). CalRecycle seeks to fund projects that implement new programs, or enhance existing ones, that provide convenient beverage container recycling opportunities. Eligible projects include those located at community events and parks/recreational areas. Specifically, the grant program is designed to address recycling challenges, aid in increasing beverage container collection, and reduce beverage container litter in the waste stream.

Funding from the Beverage Container Recycling Grant is made available to all cities and counties in California. Each city is eligible to receive a minimum of \$5,000 or an amount calculated by CalRecycle based on per capita, whichever is greater. For several grant cycles the annual awards for the City of Bell have been approximately \$10,000. However, due to changes in administration, the City did not apply for the Beverage Container Recycling Grant in FY 2010-11.

For FY 2011-12, the City has been awarded \$9,842 for the following two activities:

- The repair and installation of beverage recycling bins in City parks; and
- Recycling education and promotional materials centered around the City's Earth Day community event.

The City has several park sites where additional bins would promote and increase recycling by the community members. Additionally, there are existing bins with lids in need of replacement. The portion of funds allocated to the replacement of recycling bin lids and the provision of new bins is \$3,842.

A total of \$6,000 will be dedicated towards recycling education and the April 21<sup>st</sup> Earth Day community event. The Earth Day community event will provide the public with educational programming that actively promotes recycling. This programming will include a participatory arts and crafts demonstration in which community members will learn techniques to construct crafts made from recycled materials. Community members will also receive information brochures describing the local, regional, and personal benefits of recycling beverage containers. The grant funds will also be applied to an Earth Day riverbed community beautification project.

#### FINANCIAL IMPACT

Upon approval of the proposed appropriations adjustment, these funds will be available in the Beverage Recycling Grant account (fund no. 32). There is no impact on the General Fund by this action.

SUBJECT: Authorize the Bell Chief Administrative Officer to enter into negotiations with the City of Cudahy for the City of Bell to provide police services for the City of Cudahy.

### **RECOMMENDATION**

Authorize the Chief Administrative Officer to work with a City Council Committee and enter into negotiations with the City of Cudahy whereby the City of Bell would provide police services for the City of Cudahy.

### **BACKGROUND**

Recently the City of Cudahy City Manager Hector Rodriguez and the City of Bell Interim Chief Administrative Officer Arne Croce met and discussed the possibility of the City of Bell providing police services for Cudahy. Out of that discussion each agreed that this item should be discussed on a more formal basis. On March 5th 2012, the Bell CAO received communication from the City of Cudahy Manager requesting the City of Bell to take the next step in the process of exploring what would be required for this to occur both in staffing and costs. On March 2012, at my direction Interim Chief Belcher wrote a letter to the Cudahy City Manager requesting information as it relates to police activity and current policing costs for the City of Cudahy. We are now in the process of compiling the information that would be required for both cities to make an informed decision as it relates to contracting for police services.

The financial condition of the City of Bell makes reducing the costs of City services necessary to continue to provide the full range of services expected by the community. A preliminary analysis of the financial impacts on the City of Bell of providing police services to Cudahy indicates that substantial cost savings would be achieved. This results from the ability to use the same command structure and support services necessary to operate the Bell Police Department to provide service to Cudahy.

I am requesting council authorization to formally enter negotiations with the City of Cudahy whereby the City of Bell would become the provider of police services for the City of Cudahy. As it is anticipated negotiations may involve meetings with representatives of the Cudahy City Council, appointment of a committee of two Councilmembers to work with the ICAO and Police Chief is recommended. Two Councilmembers have expressed interest in serving on this committee: Mayor Saleh and Councilmember Valencia.

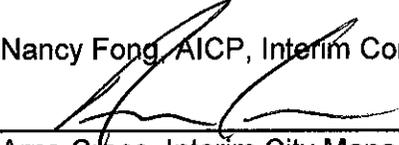

I will report back to council the progress of the negotiations and any proposals for council consideration. Given the need for the Bell City Council to make important budget decisions in preparation for the 2012-fiscal year, it is recommended that if agreement to provide service to Cudahy is not reached by April 30, the City proceed with a more detailed analysis of other options to achieve a reduction in the cost of polices services.

**FISCAL IMPACT**

There is no fiscal impact at this time.

# City of Bell Agenda Report

DATE: March 21, 2012  
TO: Mayor and Members of the City Council  
FROM: Nancy Fong, AICP, Interim Community Development Director  
APPROVED:   
BY: Arne Croce, Interim City Manager  
SUBJECT: Consideration of the Current Municipal Codes on Yard Sales Permits

## RECOMMENDATION:

Direct staff to administer the current Codes on yard sale permits and to charge \$10 fee for each yard sale permit consistent with the fee schedule.

## BACKGROUND:

At the February 25, 2012 regular meeting, Councilmember Alvarez reported that she has observed the weekend yard sales are occurring more often and at more places in the City. She raised concerns that the city could become a perpetual yard sales city, which will have a negative affect to the image of the city. Councilmember Alvarez requested a report on the proliferation of yard sales and the recommendations to alleviate the problems.

## ANALYSIS AND DISCUSSION:

### A. Current Municipal Codes on Yard Sales:

Current Bell Municipal Code Section 17.16.030 allows one yard sale permit per six-month period. This is equivalent to two yard sales a calendar year for each property in the City. The fee for the yard sale permit is \$10 per permit. Approximately in 2009, city staff was directed by the former administrator to allow up to four yard sale permits a calendar year for each property and to waive the permit fee. Staff has researched the City Council minutes and actions for the past 3 years and did not find any action or direction by the previous City Council to support the direction of the former administrator.

### B. Current Yard Sale Permit Process:

The applicant comes to the Finance Department in City Hall and completes an application form. Finance staff will review the application against past issuance of yard sale permits for the applicant's address in a log book. If the address has been issued 4 yard sale permits, then staff will not issued another permit for that address. The homeowner or residents would have to wait for a new calendar year to begin the request for yard sale permits. Additionally, staff will check for the proof of residency with a picture identification and a copy of a utility bill. The reason for a copy of the utility bill is to ensure that the applicant is residing at the address listed on the application form, and that the yard sales is truly for a resident or homeowner to sell off unwanted items stored

in the garage. To use the yard sales as a business and/or to sell new items or products are not allowed according to the Municipal Code.

By Friday of each week, Finance staff will prepare a list of yard sale permits and addresses and give the list to the Code Compliance staff for routine inspections to confirm that the addresses did have a yard sale for the weekend and that the yard sales are of used items. If the Code Compliance staff found non-compliance such as the selling of new products or products that are not allowed, the extending of hours for the yard sales beyond 6 pm, the posting of too many yard sale signs, etc., then the Code Compliance staff will issue a Notice of Violation. Further the Code Compliance officer may require the resident or homeowner to cease the operation of the yard sale immediately.

C. Problems and Issues with Yard Sales:

There are problems and issues inherent in yard sales. Homeowners or residents have the tendencies of conducting more yard sales than allowed or they would bring in new products and other not allowed items for the yard sales. The frequencies of the yard sales could turn into a business. It is unfair for business owners who have "brick and motor" stores, abide by the rules, pay the taxes and then have to compete with yard sales businesses. Sometimes visitors to yard sales are not very courteous to the neighborhoods in that they will park wherever or whenever and may block the streets or driveways. This becomes a nuisance and an annoyance to the neighborhood, which is not fair to the neighbors. Having too many yard sales in too many properties in the city could lead to a negative perception of the quality of neighborhoods.

Month - Year	No. of Yard Sale Permit
November - 2011	78
December - 2011	137
January - 2012	126
February - 2012	149
March - 2012 (2 wks)	92
total	581

Between November 2011 and mid-March 2012, the total number of yard sale permits issued by the city is 581 permits. This is equivalent to approximately an average of 129 yard sale permits per month for the weekends and about 32 yard sale permits per weekend. The majority of the yard sale permits was issued most often to these streets as follows: Bear, Bell, California, Crafton, Fishburn, Heliotrope, Gifford, King, Loma Vista, Orchard, Otis, Randolph, Walker, and Woodward. According to the 2010 Census, City has a population of 35,477 and the total number of legal properties is 4141 parcels.

Staff conducted a quick phone survey of 5 surrounding cities regarding the subject of yard sale permits and to compare whether the average number of monthly yard sale permit is above or below the surveyed cities.

City	Average Yard Sales/month	Restrictions	Population	# Housing Units
Bell	129	2 permits/property/year (allow up to 4 permits in practice)	35,477**	9,217**
Downey	445	2 permits/resident/year	111,772	35,601
Paramount	58	1 permit/property/year	54,098	14,571
Carson	36	2 permits/property/year	91,714	26,226
Norwalk	126	2 permits/resident/year	105,549	28,083

(\*\* Based on US 2010 Census)

The above surveyed cities have similar restrictions on the number of permitted yard sale permits except that City of Bell has allowed up to 4 yard sale permits per year. Some surveyed cities have no formal permitting process, rather they have established specific weekends, typically once every quarter, when residents are allowed to have yard sales. For the surveyed cities, the enforcement of yard sale permit only requires periodic monitoring. Because the City has been allowing up to 4 yard sale permits per year, the number of yard sale permits issued were significantly higher than cities within the surrounding area, with the exception of the City of Downey.

D. Fiscal and Resources Impact to City:

Typically, it may take a minimum of 15 minutes for staff to review, check and log in an application for the yard sale permit. The Code Compliance officer on duty for the weekend may take between 15 minutes to half an hour for visiting and checking each property with a yard sale permit for compliance. The \$10 fee does not pay for the Finance and Code Compliance staff time for the yard sale permit.

E. Conclusion and Recommendation:

The primary issue is that the City Council should discuss whether the City should fall back onto the current Municipal Code which allows one yard sale permit per six-month period for a legal property. The secondary issue is that the yard sale permit should be issued to a property and not to a dwelling unit. This would prevent multiple yard sales on the same property because of multiple units, which in essence the property could become a perpetual yard sales.

City Council may wish to discuss the appropriateness of the fee for a yard sale permit. As mention above, the \$10 fee will not cover the staff time in handling each permit. However, the subject of fees in general should be a separate discussion item as it may lead to policy decisions by the City Council for a full Fee Study that may involve the assistance of a consultant. In general, the increase of the fee for yard sale permit may discourage a homeowner or resident from having a yard sale, but it could also have the opposite effect in that the homeowner or resident may just conduct a yard sale without a permit.

Staff recommends that the City Council direct staff to administer the current Codes on yard sales, which is one yard sale permit per six-month period and that a yard sale permit should be issued to a legal property and not by the individual units within the

same property. Staff recommends that the \$10 fee should be collected for the yard sale permit consistent with the fee schedule. With administering the current Codes on yard sales, staff believes that the number could be reduced. Staff has refined and improved the informational notice for Yard Sale Permit and the Application Form. The new notice and form will have Spanish version.

Dear Applicant:

In the past Years City staff, as directed by former administrator, has been flexible in allowing up to four yard sale permits for each address and the \$10 permit fee was waived. However, the current Bell Municipal Code Section 17.16.030E allows only one yard sale per six-month period for a property. The fee for the yard sale permit is \$10 per permit.

**Per the direction of current City Council, staff is to administer the current Codes on yard sale permit effective immediately and as follows:**

1. One yard sale permit per six-month period for each legal property.
2. Property or properties with multiple units but constitute a single residential complex or compound will be issued one yard sale permit per six-month period. The Property Manager and/or residents of the residential complex or compound should consider the coordination of the date for a yard sale permit.
3. The permit fee is \$10 for each permit as listed in current fee schedule.

# City of Bell Agenda Report

---

**DATE:** March 21, 2012

**TO:** Mayor and Council Members

**FROM:** Terry Rodrigue, City Engineer

**APPROVED:**   
**BY:** Anne Croce, Interim Chief Administrative Officer

**SUBJECT:** Authorize the City Manager to Sign Agreement with Union Pacific Railroad (UPRR) and the Los Angeles Unified School District (LAUSD) for the Improvement of Pine Street at-grade Crossing.

**RECOMMENDATION:**

Staff recommends that the City Council authorize the City Manager to sign the agreement, (Attachment 1), with UPRR and LAUSD to install automatic at-grade crossing improvements on Pine Street.

**BACKGROUND:**

The LAUSD is interested in improving the Pine Street at-grade rail crossing to improve pedestrian and vehicular safety in the vicinity of Maywood Academy High School.

To accomplish this, they have contacted UPRR and together have drafted an agreement that specifies the improvements to be made, who pays for those improvements, and what each entity's responsibilities are. Improvements include LED flashing lights and gates across Pine Street, together with the appropriate related equipment to control the gates. A location map, sketches for the installation, and a construction estimate are included as an attachment to the agreement. UPRR will do all of the work and the LAUSD will pay for 100% of the installation of the crossing improvements.

As specified in Section 11 of the proposed agreement, the City is agreeing to split the cost of the automatic grade-crossing protection as allowed under the California Public Utilities Code (CPUC Section 1202.2) and as allocated by the Public Utilities Commission (PUC). The cost of the City's share of this maintenance is estimated to be \$4,165 per year. The CPUC also provides a provision that the City's share of the costs can be offset by State funds set aside for this purpose, provided the City is party to the agreement.

By entering into this agreement UPRR will have the documentation to verify the claim and thus be able to apply for the funding described above. Because of this funding arrangement, the City of Bell will not be billed, nor be responsible to pay, the annual maintenance share of the automatic grade-crossing improvements.

**FISCAL IMPACT:**

There is no fiscal impact.

**SECTION 1.**

The Railroad shall furnish all labor, material, equipment and supervision for:

- the installation of LED flashing signals with gates and CWT in a new cabin,
- Engineering, and
- Flagging,

all at the intersection of the Railroad's LaHabra Subdivision main track with Pine Avenue at the location heretofore described, as shown generally on Railroad's location print marked **Exhibit A**, and detailed print marked **Exhibit A-1**, each hereto attached and hereby made a part hereof.

## SECTION 2.

The District agrees to reimburse the Railroad for one hundred percent (100%) of Railroad's actual labor and material costs associated with the work and materials described in Section 1 above. The Railroad estimates such cost to be \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), as set forth in the Railroad's Material and Force Account Estimate marked **Exhibit B**, attached hereto and hereby made a part hereof (the "Estimate"). During the performance of such work the Railroad will provide progressive billing to the District based on Railroad's actual costs. Actual costs to the Railroad shall include customary additives to materials, services and labor provided by the Railroad. Within 120 Days after Railroad has completed its work, the Railroad will submit a final billing to the District for any balance owed. The District shall pay the Railroad within thirty (30) days of its receipt of all bills submitted by the Railroad.

## SECTION 3.

The Railroad, at its cost, shall maintain the crossing between the track tie ends, with the City, at its expense, maintaining the remaining portions of the crossing approaches as defined under CPUC GO 72-B. Section VIII. If, in the future, the City elects to have the surfacing material between the track tie ends replaced with paving or some surfacing material other than timber planking, the Railroad, at the City's expense, shall install such replacement surfacing.

## SECTION 4.

The District, at its sole cost and expense, shall provide traffic control, barricades, and all detour signing for the crossing work, provide all labor, material and equipment to install concrete or asphalt street approaches, and if required, will install advanced warning signs, and pavement markings in compliance and conformance with the Manual on Uniform Traffic Control Devices.

## SECTION 5.

If City elects to hire a contractor to perform the work described in Section 4 above, then the City shall require its contractor(s) to execute the Railroad's standard and current form of Contractor's Right of Entry Agreement attached hereto as **Exhibit C** and hereby made a part hereof. The City acknowledges receipt of a copy of the Contractor's Right of Entry Agreement and understanding of its terms, provisions, and requirements, and will inform its contractor(s) of the need to execute the Agreement. Under no circumstances will the City's contractor(s) be allowed onto the Railroad's premises without first executing the Contractor's Right of Entry Agreement.

## SECTION 6.

Fiber optic cable systems may be buried on the Railroad's property. Protection of the fiber optic cable systems is of extreme importance since any break could disrupt service to users resulting in business interruption and loss of revenue and profits. The City or its contractor(s) shall telephone the Railroad during normal business hours (7:00 a.m. to 9:00 p.m., Central Time, Monday through Friday, except holidays) at 1-800-336-9193 (also a 24-hour number, 7 day number for emergency

calls) to determine if fiber optic cable is buried anywhere on the Railroad's premises to be used by the City or its contractor(s). If it is, the City or its contractor(s) will telephone the telecommunications company(ies) involved, arrange for a cable locator, and make arrangements for relocation or other protection of the fiber optic cable prior to beginning any work on the Railroad's premises.

#### **SECTION 7.**

The City, for itself and for its successors and assigns, hereby waives any right of assessment against the Railroad, as an adjacent property owner, for any and all improvements made under this agreement.

#### **SECTION 8.**

Covenants herein shall inure to or bind each party's successors and assigns; provided, no right of the City shall be transferred or assigned, either voluntarily or involuntarily, except by express written agreement acceptable to the Railroad.

#### **SECTION 9.**

The City and the District shall, when returning this agreement to the Railroad (signed), cause same to be accompanied by such Order, Resolution, or Ordinance of the governing body of the City and the District, passed and approved as by law prescribed, and duly certified, evidencing the authority of the person executing this agreement on behalf of the City and the District with the power so to do, and which also will certify that funds have been appropriated and are available for the payment of any sums herein agreed to be paid by the District.

#### **SECTION 10.**

Upon execution and delivery of this Agreement, the District shall pay to the Railroad an administrative handling charge of **ONE THOUSAND HUNDRED DOLLARS (\$1,000.00)**.

#### **SECTION 11.**

The City and the Railroad agree to split equally the cost of maintenance of the automatic grade crossing protection as provided for in California Public Utilities Code Section 1202.2 and as allocated by the California Public Utilities Commission.

**IN WITNESS WHEREOF**, the parties hereto have caused this Supplemental Agreement to be executed as of the day and year first hereinabove written.

**THIS AGREEMENT** is made and entered into as of the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between **UNION PACIFIC RAILROAD COMPANY**, a Delaware corporation ("Railroad"); and \_\_\_\_\_, a \_\_\_\_\_ corporation ("Contractor").

**RECITALS:**

Contractor has been hired by \_\_\_\_\_ to perform work relating to \_\_\_\_\_ (the "work"), with all or a portion of such work to be performed on property of Railroad in the vicinity of Railroad's Milepost \_\_\_\_\_ on Railroad's \_\_\_\_\_ [Subdivision] [Branch] [at or near DOT No. \_\_\_\_\_] located at or near \_\_\_\_\_, in \_\_\_\_\_ County, State of \_\_\_\_\_, as such location is in the general location shown on the print marked **Exhibit A**, attached hereto and hereby made a part hereof, which work is the subject of a contract dated \_\_\_\_\_ between Railroad and \_\_\_\_\_.

Railroad is willing to permit Contractor to perform the work described above at the location described above subject to the terms and conditions contained in this Agreement

**AGREEMENT:**

**NOW, THEREFORE**, it is mutually agreed by and between Railroad and Contractor, as follows:

**ARTICLE 1 - DEFINITION OF CONTRACTOR.**

For purposes of this Agreement, all references in this agreement to Contractor shall include Contractor's contractors, subcontractors, officers, agents and employees, and others acting under its or their authority.

**ARTICLE 2 - RIGHT GRANTED; PURPOSE.**

Railroad hereby grants to Contractor the right, during the term hereinafter stated and upon and subject to each and all of the terms, provisions and conditions herein contained, to enter upon and have ingress to and egress from the property described in the Recitals for the purpose of performing the work described in the Recitals above. The right herein granted to Contractor is limited to those portions of Railroad's property specifically described herein, or as designated by the Railroad Representative named in Article 4.

**ARTICLE 3 - TERMS AND CONDITIONS CONTAINED IN EXHIBITS B, C AND D.**

The terms and conditions contained in **Exhibit B**, **Exhibit C** and **Exhibit D**, attached hereto, are hereby made a part of this Agreement.

**ARTICLE 4 - ALL EXPENSES TO BE BORNE BY CONTRACTOR; RAILROAD REPRESENTATIVE.**

A. Contractor shall bear any and all costs and expenses associated with any work performed by Contractor, or any costs or expenses incurred by Railroad relating to this Agreement.

B. Contractor shall coordinate all of its work with the following Railroad representative or his or her duly authorized representative (the "Railroad Representative"):

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

C. Contractor, at its own expense, shall adequately police and supervise all work to be performed by Contractor and shall ensure that such work is performed in a safe manner as set forth in Section 7 of **Exhibit B**. The responsibility of Contractor for safe conduct and adequate policing and supervision of Contractor's work shall not be lessened or otherwise affected by Railroad's approval of plans and specifications involving the work, or by Railroad's collaboration in performance of any work, or by the presence at the work site of a Railroad Representative, or by compliance by Contractor with any requests or recommendations made by Railroad Representative.

**ARTICLE 5 - SCHEDULE OF WORK ON A MONTHLY BASIS.**

The Contractor, at its expense, shall provide on a monthly basis a detailed schedule of work to the Railroad Representative named in Article 4B above. The reports shall start at the execution of this Agreement and continue until this Agreement is terminated as provided in this Agreement or until the Contractor has completed all work on Railroad's property.

**ARTICLE 6 - TERM; TERMINATION.**

A. The grant of right herein made to Contractor shall commence on the date of this Agreement, and continue until \_\_\_\_\_, unless sooner terminated as herein provided, or at such time as Contractor has completed its work on Railroad's property, whichever is earlier. Contractor agrees to notify the Railroad Representative in writing when it has completed its work on Railroad's property.

B. This Agreement may be terminated by either party on ten (10) days written notice to the other party.

**ARTICLE 7 - CERTIFICATE OF INSURANCE.**

A. Before commencing any work, Contractor will provide Railroad with the (i) insurance binders, policies, certificates and endorsements set forth in **Exhibit C** of this Agreement, and (ii) the insurance endorsements obtained by each subcontractor as required under Section 12 of **Exhibit B** of this Agreement.

B. All insurance correspondence, binders, policies, certificates and endorsements shall be sent to:

Union Pacific Railroad Company

**ARTICLE 8 - DISMISSAL OF CONTRACTOR'S EMPLOYEE.**

At the request of Railroad, Contractor shall remove from Railroad's property any employee of Contractor who fails to conform to the instructions of the Railroad Representative in connection with the work on Railroad's property, and any right of Contractor shall be suspended until such removal has occurred. Contractor shall indemnify Railroad against any claims arising from the removal of any such employee from Railroad's property.

**ARTICLE 9- ADMINISTRATIVE FEE.**

Upon the execution and delivery of this Agreement, Contractor shall pay to Railroad \_\_\_\_\_ Dollars (\$ \_\_\_\_\_) as reimbursement for clerical, administrative and handling expenses in connection with the processing of this Agreement.

**ARTICLE 10 - CROSSINGS.**

No additional vehicular crossings (including temporary haul roads) or pedestrian crossings over Railroad's trackage shall be installed or used by Contractor without the prior written permission of Railroad.

**ARTICLE 11.- EXPLOSIVES.**

Explosives or other highly flammable substances shall not be stored or used on Railroad's property without the prior written approval of Railroad.

**IN WITNESS WHEREOF**, the parties hereto have duly executed this agreement in duplicate as of the date first herein written.

**CONTRACTOR'S RIGHT OF ENTRY AGREEMENT**

**Section 1. NOTICE OF COMMENCEMENT OF WORK - FLAGGING.**

A. Contractor agrees to notify the Railroad Representative at least ten (10) working days in advance of Contractor commencing its work and at least thirty (30) working days in advance of proposed performance of any work by Contractor in which any person or equipment will be within twenty-five (25) feet of any track, or will be near enough to any track that any equipment extension (such as, but not limited to, a crane boom) will reach to within twenty-five (25) feet of any track. No work of any kind shall be performed, and no person, equipment, machinery, tool(s), material(s), vehicle(s), or thing(s) shall be located, operated, placed, or stored within twenty-five (25) feet of any of Railroad's track(s) at any time, for any reason, unless and until a Railroad flagman is provided to watch for trains. Upon receipt of such thirty (30)-day notice, the Railroad Representative will determine and inform Contractor whether a flagman need be present and whether Contractor needs to implement any special protective or safety measures. If flagging or other special protective or safety measures are performed by Railroad, Railroad will bill Contractor for such expenses incurred by Railroad, unless Railroad and a federal, state or local governmental entity have agreed that Railroad is to bill such expenses to the federal, state or local governmental entity. If Railroad will be sending the bills to Contractor, Contractor shall pay such bills within thirty (30) days of Contractor's receipt of billing. If Railroad performs any flagging, or other special protective or safety measures are performed by Railroad, Contractor agrees that Contractor is not relieved of any of its responsibilities or liabilities set forth in this Agreement.

B. The rate of pay per hour for each flagman will be the prevailing hourly rate in effect for an eight-hour day for the class of flagmen used during regularly assigned hours and overtime in accordance with Labor Agreements and Schedules in effect at the time the work is performed. In addition to the cost of such labor, a composite charge for vacation, holiday, health and welfare, supplemental sickness, Railroad Retirement and unemployment compensation, supplemental pension, Employees Liability and Property Damage and Administration will be included, computed on actual payroll. The composite charge will be the prevailing composite charge in effect at the time the work is performed. One and one-half times the current hourly rate is paid for overtime, Saturdays and Sundays, and two and one-half times current hourly rate for holidays. Wage rates are subject to change, at any time, by law or by agreement between Railroad and its employees, and may be retroactive as a result of negotiations or a ruling of an authorized governmental agency. Additional charges on labor are also subject to change. If the wage rate or additional charges are changed, Contractor (or the governmental entity, as applicable) shall pay on the basis of the new rates and charges.

C. Reimbursement to Railroad will be required covering the full eight-hour day during which any flagman is furnished, unless the flagman can be assigned to other Railroad work during a portion of such day, in which event reimbursement will not be required for the portion of the day during which the flagman is engaged in other Railroad work. Reimbursement will also be required for any day not actually worked by the flagman following the flagman's assignment to work on the project for which Railroad is required to pay the flagman and which could not reasonably be avoided by Railroad by assignment of such flagman to other work, even though Contractor may not be working during such time. When it becomes necessary for Railroad to bulletin and assign an employee to a flagging position in compliance with union collective bargaining agreements, Contractor must provide Railroad a minimum of five (5) days notice prior to the cessation of the need for a flagman. If five (5) days notice of cessation is not given, Contractor will still be required to pay flagging charges for the five (5) day notice period required by union agreement to be given to the employee, even though flagging is not required for that period. An additional thirty (30) days notice must then be given to Railroad if flagging services are needed again after such five day cessation notice has been given to Railroad.

**Section 2. LIMITATION AND SUBORDINATION OF RIGHTS GRANTED**

A. The foregoing grant of right is subject and subordinate to the prior and continuing right and obligation of the Railroad to use and maintain its entire property including the right and power of Railroad to construct, maintain, repair, renew, use, operate, change, modify or relocate railroad tracks, roadways, signal, communication, fiber optics, or other wirelines, pipelines and other facilities upon, along or across any or all parts of its property, all or any of which may be freely done at any time or times by Railroad without liability to Contractor or to any other party for compensation or damages.

B. The foregoing grant is also subject to all outstanding superior rights (whether recorded or unrecorded and including those in favor of licensees and lessees of Railroad's property, and others) and the right of Railroad to renew and extend the same, and is made without covenant of title or for quiet enjoyment.

**Section 3. NO INTERFERENCE WITH OPERATIONS OF RAILROAD AND ITS TENANTS.**

A. Contractor shall conduct its operations so as not to interfere with the continuous and uninterrupted use and operation of the railroad tracks and property of Railroad, including without limitation, the operations of Railroad's lessees, licensees or others, unless specifically authorized in advance by the Railroad Representative. Nothing shall be done or permitted to be done by Contractor at any time that would in any manner impair the safety of such operations. When not in use, Contractor's machinery and materials shall be kept at least fifty (50) feet from the centerline of Railroad's nearest track, and there shall be no vehicular crossings of Railroads tracks except at existing open public crossings.

B. Operations of Railroad and work performed by Railroad personnel and delays in the work to be performed by Contractor caused by such railroad operations and work are expected by Contractor, and Contractor agrees that Railroad shall have no liability to Contractor, or any other person or entity for any such delays. The Contractor shall coordinate its activities with those of Railroad and third parties so as to avoid interference with railroad operations. The safe operation of Railroad train movements and other activities by Railroad takes precedence over any work to be performed by Contractor.

**Section 4. LIENS.**

Contractor shall pay in full all persons who perform labor or provide materials for the work to be performed by Contractor. Contractor shall not create, permit or suffer any mechanic's or materialmen's liens of any kind or nature to be created or enforced against any property of Railroad for any such work performed. Contractor shall indemnify and hold harmless Railroad from and against any and all liens, claims, demands, costs or expenses of whatsoever nature in any way connected with or growing out of such work done, labor performed, or materials furnished. If Contractor fails to promptly cause any lien to be released of record, Railroad may, at its election, discharge the lien or claim of lien at Contractor's expense.

**Section 5. PROTECTION OF FIBER OPTIC CABLE SYSTEMS.**

A. Fiber optic cable systems may be buried on Railroad's property. Protection of the fiber optic cable systems is of extreme importance since any break could disrupt service to users resulting in business interruption and loss of revenue and profits. Contractor shall telephone Railroad during normal business hours (7:00 a.m. to 9:00 p.m. Central Time, Monday through Friday, except holidays) at 1-800-336-9193 (also a 24-hour, 7-day number for emergency calls) to determine if fiber optic cable is buried anywhere on Railroad's property to be used by Contractor. If it is, Contractor will telephone the telecommunications company(ies) involved, make arrangements for a cable locator and, if applicable, for relocation or other protection of the fiber optic cable. Contractor shall not commence any work until all such protection or relocation (if applicable) has been accomplished.

b. In addition to other indemnity provisions in this Agreement, Contractor shall indemnify, defend and hold Railroad harmless from and against all costs, liability and expense whatsoever (including, without limitation, attorneys' fees, court costs and expenses) arising out of any act or omission of Contractor, its agents and/or employees, that causes or

contributes to (1) any damage to or destruction of any telecommunications system on Railroad's property, and/or (2) any injury to or death of any person employed by or on behalf of any telecommunications company, and/or its contractor, agents and/or employees, on Railroad's property. Contractor shall not have or seek recourse against Railroad for any claim or cause of action for alleged loss of profits or revenue or loss of service or other consequential damage to a telecommunication company using Railroad's property or a customer or user of services of the fiber optic cable on Railroad's property.

**Section 6. PERMITS - COMPLIANCE WITH LAWS.**

In the prosecution of the work covered by this Agreement, Contractor shall secure any and all necessary permits and shall comply with all applicable federal, state and local laws, regulations and enactments affecting the work including, without limitation, all applicable Federal Railroad Administration regulations.

**Section 7. SAFETY.**

A. Safety of personnel, property, rail operations and the public is of paramount importance in the prosecution of the work performed by Contractor. Contractor shall be responsible for initiating, maintaining and supervising all safety, operations and programs in connection with the work. Contractor shall at a minimum comply with Railroad's safety standards listed in **Exhibit D**, hereto attached, to ensure uniformity with the safety standards followed by Railroad's own forces. As a part of Contractor's safety responsibilities, Contractor shall notify Railroad if Contractor determines that any of Railroad's safety standards are contrary to good safety practices. Contractor shall furnish copies of **Exhibit D** to each of its employees before they enter the job site.

B. Without limitation of the provisions of paragraph A above, Contractor shall keep the job site free from safety and health hazards and ensure that its employees are competent and adequately trained in all safety and health aspects of the job.

C. Contractor shall have proper first aid supplies available on the job site so that prompt first aid services may be provided to any person injured on the job site. Contractor shall promptly notify Railroad of any U.S. Occupational Safety and Health Administration reportable injuries. Contractor shall have a nondelegable duty to control its employees while they are on the job site or any other property of Railroad, and to be certain they do not use, be under the influence of, or have in their possession any alcoholic beverage, drug or other substance that may inhibit the safe performance of any work.

D. If and when requested by Railroad, Contractor shall deliver to Railroad a copy of Contractor's safety plan for conducting the work (the "Safety Plan"). Railroad shall have the right, but not the obligation, to require Contractor to correct any deficiencies in the Safety Plan. The terms of this Agreement shall control if there are any inconsistencies between this Agreement and the Safety Plan.

**Section 8. INDEMNITY.**

A. To the extent not prohibited by applicable statute, Contractor shall indemnify, defend and hold harmless Railroad, its affiliates, and its and their officers, agents and employees (individually an "Indemnified Party" or collectively "Indemnified Parties") from and against any and all loss, damage, injury, liability, claim, demand, cost or expense (including, without limitation, attorney's, consultant's and expert's fees, and court costs), fine or penalty (collectively, "Loss") incurred by any person (including, without limitation, any Indemnified Party, Contractor, or any employee of Contractor or of any Indemnified Party) arising out of or in any manner connected with (i) any work performed by Contractor, or (ii) any act or omission of Contractor, its officers, agents or employees, or (iii) any breach of this Agreement by Contractor.

b. The right to indemnity under this Section 8 shall accrue upon occurrence of the event giving rise to the Loss, and shall apply regardless of any negligence or strict liability of any Indemnified Party, except where the Loss is caused by the sole active negligence of an Indemnified Party as established by the final judgment of a court of competent jurisdiction. The sole active negligence of any Indemnified Party shall not bar the recovery of any other Indemnified Party.

86

c. Contractor expressly and specifically assumes potential liability under this Section 8 for claims or actions brought by Contractor's own employees. Contractor waives any immunity it may have under worker's compensation or industrial insurance acts to indemnify the Indemnified Parties under this Section 8. Contractor acknowledges that this waiver was mutually negotiated by the parties hereto.

d. No court or jury findings in any employee's suit pursuant to any worker's compensation act or the Federal Employers' Liability Act against a party to this Agreement may be relied upon or used by Contractor in any attempt to assert liability against any Indemnified Party.

e. The provisions of this Section 8 shall survive the completion of any work performed by Contractor or the termination or expiration of this Agreement. In no event shall this Section 8 or any other provision of this Agreement be deemed to limit any liability Contractor may have to any Indemnified Party by statute or under common law.

**Section 9. RESTORATION OF PROPERTY.**

In the event Railroad authorizes Contractor to take down any fence of Railroad or in any manner move or disturb any of the other property of Railroad in connection with the work to be performed by Contractor, then in that event Contractor shall, as soon as possible and at Contractor's sole expense, restore such fence and other property to the same condition as the same were in before such fence was taken down or such other property was moved or disturbed. Contractor shall remove all of Contractor's tools, equipment, rubbish and other materials from Railroad's property promptly upon completion of the work, restoring Railroad's property to the same state and condition as when Contractor entered thereon.

**Section 10. WAIVER OF DEFAULT.**

Waiver by Railroad of any breach or default of any condition, covenant or agreement herein contained to be kept, observed and performed by Contractor shall in no way impair the right of Railroad to avail itself of any remedy for any subsequent breach or default.

**Section 11. MODIFICATION - ENTIRE AGREEMENT.**

No modification of this Agreement shall be effective unless made in writing and signed by Contractor and Railroad. This Agreement and the exhibits attached hereto and made a part hereof constitute the entire understanding between Contractor and Railroad and cancel and supersede any prior negotiations, understandings or agreements, whether written or oral, with respect to the work to be performed by Contractor.

**Section 12. ASSIGNMENT - SUBCONTRACTING.**

Contractor shall not assign or subcontract this Agreement, or any interest therein, without the written consent of the Railroad. Contractor shall be responsible for the acts and omissions of all subcontractors. Before Contractor commences any work, the Contractor shall, except to the extent prohibited by law; (1) require each of its subcontractors to include the Contractor as "Additional Insured" in the subcontractor's Commercial General Liability policy and Business Automobile policies with respect to all liabilities arising out of the subcontractor's performance of work on behalf of the Contractor by endorsing these policies with ISO Additional Insured Endorsements CG 20 26, and CA 20 48 (or substitute forms providing equivalent coverage; (2) require each of its subcontractors to endorse their Commercial General Liability Policy with "Contractual Liability Railroads" ISO Form CG 24 17 10 01 (or a substitute form providing equivalent coverage) for the job site; and (3) require each of its subcontractors to endorse their Business Automobile Policy with "Coverage For Certain Operations In Connection With Railroads" ISO Form CA 20 70 10 01 (or a substitute form providing equivalent coverage) for the job site.

**EXHIBIT C**  
**TO**  
**CONTRACTOR'S**  
**RIGHT OF ENTRY AGREEMENT**

**Union Pacific Railroad Company**  
**Insurance Provisions For**  
**Contractor's Right of Entry Agreement**

Contractor shall, at its sole cost and expense, procure and maintain during the course of the Project and until all Project work on Railroad's property has been completed and the Contractor has removed all equipment and materials from Railroad's property and has cleaned and restored Railroad's property to Railroad's satisfaction, the following insurance coverage:

- A. **Commercial General Liability** insurance. Commercial general liability (CGL) with a limit of not less than \$5,000,000 each occurrence and an aggregate limit of not less than \$10,000,000. CGL insurance must be written on ISO occurrence form CG 00 01 12 04 (or a substitute form providing equivalent coverage).

The policy must also contain the following endorsement, which must be stated on the certificate of insurance:

- Contractual Liability Railroads ISO form CG 24 17 10 01 (or a substitute form providing equivalent coverage) showing "Union Pacific Railroad Company Property" as the Designated Job Site.
- Designated Construction Project(s) General Aggregate Limit ISO Form CG 25 03 03 97 (or a substitute form providing equivalent coverage) showing the project on the form schedule.

- B. **Business Automobile Coverage** insurance. Business auto coverage written on ISO form CA 00 01 10 01 (or a substitute form providing equivalent liability coverage) with a combined single limit of not less \$5,000,000 for each accident and coverage must include liability arising out of any auto (including owned, hired and non-owned autos).

The policy must contain the following endorsements, which must be stated on the certificate of insurance:

- Coverage For Certain Operations In Connection With Railroads ISO form CA 20 70 10 01 (or a substitute form providing equivalent coverage) showing "Union Pacific Property" as the Designated Job Site.
- Motor Carrier Act Endorsement - Hazardous materials clean up (MCS-90) if required by law.

- C. **Workers' Compensation and Employers' Liability** insurance. Coverage must include but not be limited to:
- Contractor's statutory liability under the workers' compensation laws of the state where the work is being performed.
  - Employers' Liability (Part B) with limits of at least \$500,000 each accident, \$500,000 disease policy limit \$500,000 each employee.

If Contractor is self-insured, evidence of state approval and excess workers compensation coverage must be provided. Coverage must include liability arising out of the U. S. Longshoremen's and Harbor Workers' Act, the Jones Act, and the Outer Continental Shelf Land Act, if applicable.

The policy must contain the following endorsement, which must be stated on the certificate of insurance:

- Alternate Employer endorsement ISO form WC 00 03 01 A (or a substitute form providing equivalent coverage) showing Railroad in the schedule as the alternate employer (or a substitute form providing equivalent coverage).

- D. **Railroad Protective Liability** insurance. Contractor must maintain "Railroad Protective Liability" (RPL) insurance written on ISO occurrence form CG 00 35 12 04 (or a substitute form providing equivalent coverage) on behalf of Railroad as named insured, with a limit of not less than \$2,000,000 per occurrence and an aggregate of \$6,000,000. The

definition of "JOB LOCATION" and "WORK" on the declaration page of the policy shall refer to this Agreement and shall describe all WORK or OPERATIONS performed under this agreement. Contractor shall provide this Agreement to Contractor's insurance agent(s) and/or broker(s) and Contractor shall instruct such agent(s) and/or broker(s) to procure the insurance coverage required by this Agreement. A BINDER STATING THE POLICY IS IN PLACE MUST BE SUBMITTED TO RAILROAD BEFORE THE WORK MAY COMMENCE AND UNTIL THE ORIGINAL POLICY IS FORWARDED TO UNION PACIFIC RAILROAD.

- E. **Umbrella or Excess** insurance. If Contractor utilizes umbrella or excess policies, these policies must "follow form" and afford no less coverage than the primary policy.
- F. **Pollution Liability** insurance. Pollution liability coverage must be included when the scope of the work as defined in the Agreement includes installation, temporary storage, or disposal of any "hazardous" material that is injurious in or upon land, the atmosphere, or any watercourses; or may cause bodily injury at any time.

If required, coverage may be provided in separate policy form or by endorsement to Contractors CGL or RPL. Any form coverage must be equivalent to that provided in ISO form CG 24 15 "Limited Pollution Liability Extension Endorsement" or CG 28 31 "Pollution Exclusion Amendment" with limits of at least \$5,000,000 per occurrence and an aggregate limit of \$10,000,000.

If the scope of work as defined in this Agreement includes the disposal of any hazardous or non-hazardous materials from the job site, Contractor must furnish to Railroad evidence of pollution legal liability insurance maintained by the disposal site operator for losses arising from the insured facility accepting the materials, with coverage in minimum amounts of \$1,000,000 per loss, and an annual aggregate of \$2,000,000.

#### **Other Requirements**

- G. All policy(ies) required above (except worker's compensation and employers liability) must include Railroad as "Additional Insured" using ISO Additional Insured Endorsements CG 20 26, and CA 20 48 (or substitute forms providing equivalent coverage). The coverage provided to Railroad as additional insured shall, to the extent provided under ISO Additional Insured Endorsement CG 20 26, and CA 20 48 provide coverage for Railroad's negligence whether sole or partial, active or passive, and shall not be limited by Contractor's liability under the indemnity provisions of this Agreement.
- H. Punitive damages exclusion, if any, must be deleted (and the deletion indicated on the certificate of insurance), unless the law governing this Agreement prohibits all punitive damages that might arise under this Agreement.
- I. Contractor waives all rights of recovery, and its insurers also waive all rights of subrogation of damages against Railroad and its agents, officers, directors and employees. This waiver must be stated on the certificate of insurance.
- J. Prior to commencing the work, Contractor shall furnish Railroad with a certificate(s) of insurance, executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements in this Agreement.
- K. All insurance policies must be written by a reputable insurance company acceptable to Railroad or with a current Best's Insurance Guide Rating of A- and Class VII or better, and authorized to do business in the state where the work is being performed.
- L. The fact that insurance is obtained by Contractor or by Railroad on behalf of Contractor will not be deemed to release or diminish the liability of Contractor, including, without limitation, liability under the indemnity provisions of this Agreement. Damages recoverable by Railroad from Contractor or any third party will not be limited by the amount of the required insurance coverage.

**CONTRACTOR'S RIGHT OF ENTRY AGREEMENT**

**MINIMUM SAFETY REQUIREMENTS**

The term "employees" as used herein refer to all employees of Contractor as well as all employees of any subcontractor or agent of Contractor.

**I. Clothing**

- A. All employees of Contractor will be suitably dressed to perform their duties safely and in a manner that will not interfere with their vision, hearing, or free use of their hands or feet.

Specifically, Contractor's employees must wear:

- (i) Waist-length shirts with sleeves.
  - (ii) Trousers that cover the entire leg. If flare-legged trousers are worn, the trouser bottoms must be tied to prevent catching.
  - (iii) Footwear that covers their ankles and has a defined heel. Employees working on bridges are required to wear safety-toed footwear that conforms to the American National Standards Institute (ANSI) and FRA footwear requirements.
- B. Employees shall not wear boots (other than work boots), sandals, canvas-type shoes, or other shoes that have thin soles or heels that are higher than normal.
- C. Employees must not wear loose or ragged clothing, neckties, finger rings, or other loose jewelry while operating or working on machinery.

**II. Personal Protective Equipment**

Contractor shall require its employees to wear personal protective equipment as specified by Railroad rules, regulations, or recommended or requested by the Railroad Representative.

- (i) Hard hat that meets the American National Standard (ANSI) Z89.1 – latest revision. Hard hats should be affixed with Contractor's company logo or name.
- (ii) Eye protection that meets American National Standard (ANSI) for occupational and educational eye and face protection, Z87.1 – latest revision. Additional eye protection must be provided to meet specific job situations such as welding, grinding, etc.
- (iii) Hearing protection, which affords enough attenuation to give protection from noise levels that will be occurring on the job site. Hearing protection, in the form of plugs or muffs, must be worn when employees are within:
  - 100 feet of a locomotive or roadway/work equipment
  - 15 feet of power operated tools
  - 150 feet of jet blowers or pile drivers
  - 150 feet of retarders in use (when within 10 feet, employees must wear dual ear protection -- plugs and muffs)

- (iv) Other types of personal protective equipment, such as respirators, fall protection equipment, and face shields, must be worn as recommended or requested by the Railroad Representative.

### **III. On Track Safety**

Contractor is responsible for compliance with the Federal Railroad Administration's Roadway Worker Protection regulations – 49CFR214, Subpart C and Railroad's On-Track Safety rules. Under 49CFR214, Subpart C, railroad contractors are responsible for the training of their employees on such regulations. In addition to the instructions contained in Roadway Worker Protection regulations, all employees must:

- (i) Maintain a distance of twenty-five (25) feet to any track unless the Railroad Representative is present to authorize movements.
- (ii) Wear an orange, reflectorized workwear approved by the Railroad Representative.
- (iii) Participate in a job briefing that will specify the type of On-Track Safety for the type of work being performed. Contractor must take special note of limits of track authority, which tracks may or may not be fouled, and clearing the track. Contractor will also receive special instructions relating to the work zone around machines and minimum distances between machines while working or traveling.

### **IV. Equipment**

- A. It is the responsibility of Contractor to ensure that all equipment is in a safe condition to operate. If, in the opinion of the Railroad Representative, any of Contractor's equipment is unsafe for use, Contractor shall remove such equipment from Railroad's property. In addition, Contractor must ensure that the operators of all equipment are properly trained and competent in the safe operation of the equipment. In addition, operators must be:
  - Familiar and comply with Railroad's rules on lockout/tagout of equipment.
  - Trained in and comply with the applicable operating rules if operating any hy-rail equipment on-track.
  - Trained in and comply with the applicable air brake rules if operating any equipment that moves rail cars or any other railbound equipment.
- B. All self-propelled equipment must be equipped with a first-aid kit, fire extinguisher, and audible back-up warning device.
- C. Unless otherwise authorized by the Railroad Representative, all equipment must be parked a minimum of twenty-five (25) feet from any track. Before leaving any equipment unattended, the operator must stop the engine and properly secure the equipment against movement.
- D. Cranes must be equipped with three orange cones that will be used to mark the working area of the crane and the minimum clearances to overhead powerlines.

### **V. General Safety Requirements**

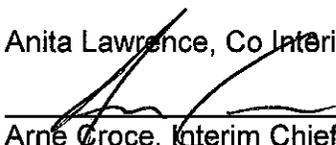

- A. Contractor shall ensure that all waste is properly disposed of in accordance with applicable federal and state regulations.
- B. Contractor shall ensure that all employees participate in and comply with a job briefing conducted by the Railroad Representative, if applicable. During this briefing, the Railroad Representative will specify safe work procedures, (including On-Track Safety) and the potential hazards of the job. If any employee has any

questions or concerns about the work, the employee must voice them during the job briefing. Additional job briefings will be conducted during the work as conditions, work procedures, or personnel change.

- C. All track work performed by Contractor meets the minimum safety requirements established by the Federal Railroad Administration's Track Safety Standards 49CFR213.
- D. All employees comply with the following safety procedures when working around any railroad track:
  - (i) Always be on the alert for moving equipment. Employees must always expect movement on any track, at any time, in either direction.
  - (ii) Do not step or walk on the top of the rail, frog, switches, guard rails, or other track components.
  - (iii) In passing around the ends of standing cars, engines, roadway machines or work equipment, leave at least 20 feet between yourself and the end of the equipment. Do not go between pieces of equipment of the opening is less than one car length (50 feet).
  - (iv) Avoid walking or standing on a track unless so authorized by the employee in charge.
  - (v) Before stepping over or crossing tracks, look in both directions first.
  - (vi) Do not sit on, lie under, or cross between cars except as required in the performance of your duties and only when track and equipment have been protected against movement.
- E. All employees must comply with all federal and state regulations concerning workplace safety.

## City of Bell Agenda Report

DATE: March 21, 2012  
TO: Mayor and Members of the City Council  
FROM: Anita Lawrence, Co Interim Finance Director  
APPROVED BY:   
Arne Croce, Interim Chief Administrative Officer  
SUBJECT: Check and Wire Transfer Signing Authority

### RECOMMENDATION:

Adopt a Resolution setting forth certain check and wire transfer authority.

### BACKGROUND AND DISCUSSION:

The current authority to sign checks and approve wire and intra-bank transfers requires two signatures. Intra-bank transfers include transferring from the payroll account to the general checking account within the same bank. The positions included in the current signing authority are the Mayor, the Vice Mayor and the City Treasurer. By practice, the two parties required for signing have been the City Treasurer as one of the signatures and either the Mayor or the Vice-Mayor for the other signature.

Public agencies handle check signing in many different ways. Often there are signature stamps that are kept in a vault and used once the checks have been approved by the elected body at a public meeting. Another method is to require one signature for checks under a certain amount and an additional signature if checks are greater than that amount. Attached is a survey located on the California Society of Municipal Finance Officers website ([www.csmfo.org](http://www.csmfo.org)), conducted in 2008, which shows 44 public agencies and their check signing requirements. You can see by the survey that having elected officials sign checks is less common than delegating the responsibility to staff members. The reason is because staff members are more readily available to sign and asking elected officials to participate often requires that they make a special trip to City Hall which is less efficient for the workflow of the public agency.

Staff is recommending that one additional staff member, the Chief Administrative Officer (CAO) be added to the list of approved signers. This would allow the CAO to sign in the event the City Treasurer is unavailable. Currently, if the City Treasurer is unavailable, it would mean that two elected officials would need to sign in order to release the check or wire transfer. It would be very unusual for a public agency to opt that two elected officials be the two required signers for any transaction.

Further, staff is recommending that all checks or wires greater than \$10,000 require the signature of at least one elected official. This would enable two staff members to sign checks and approve intra-bank and wire transfers up to \$10,000, but would require that at least one elected official sign checks and approve intra-bank and wire transfers over \$10,000. This will

improve the efficiency of paying invoices, since the majority of payments fall below the \$10,000 threshold and will reduce the number of trips elected officials are requested to make to City Hall for the purpose of signing checks and wires.

This recommendation was discussed with the City's auditors and they agree having an additional staff signer is a prudent action to take. Additionally, having one elected official signature for checks and intra-bank and wire transfers greater than \$10,000 would provide an extra layer of elected official oversight (additional to formal City Council action approving disbursements) for larger disbursements.

It should be noted that all disbursements will continue to be approved by the City Council at a public meeting.

### FINANCIAL IMPACT

It is expected that the approval of this resolution will result in some efficiency savings, but has not been quantified.
