### NOTES:

- Before any player on this list is allowed to play in any of the City of Bell Adult Sports Leagues again they must first meet with the league coordinator for approval and if approved the player will be placed on probation for one full season.
- Players who were ejected from the game due to fighting may appeal the ruling by meeting with the league coordinator. The league coordinator will take a look at the appeal, and if the player is reinstated, he will be placed on probation for the remainder of the current season AND OR for the next full season that the player participates in.
- If a player is on probation, and at any point fights or argues he will then be banned from any present and future league play.
