

HAVE YOU SEEN THIS MOSQUITO?

Invasive Species Advisory

Daytime-biting mosquitoes
have been found in a community near you.

 **Call (562) 944-9656 x553 if you experience any of the following:**

- Mosquito bites during the day
- See black-and-white striped mosquitoes

What's the Big Deal?

- They can potentially transmit dangerous diseases such as **yellow fever**, **dengue fever** and **chikungunya**.
- They are aggressive daytime biters and don't belong in your neighborhood!

Prevention

- Use insect repellent if you're in an area with mosquitoes.
- Get rid of any containers that can hold water in your yard or on your patio.

Dump out water in containers! **Đổ bỏ nước trong các vật đựng.**

¡Elimine el agua en los recipientes! **倒空容器内的积水。**

- This mosquito can lay dozens of eggs in containers as small as a bottlecap.

Actual size

White stripes on legs
